

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Application of Transource Pennsylvania, LLC
Filed Pursuant to 52 Pa. Code Chapter 57, Subchapter G
For Approval of the Siting and Construction of the 230 kV Transmission Line
Associated with the Independence Energy Connection-West Project in Portions of Franklin County
Docket No. A-2017-2640200

PROTEST

Pursuant to 52 Pa. Code Sections 5.51, et seq. and 66 Pa.C.S. Sections 1101, et. Seq.,
LuWanda G. Mumma files this protest to the Independent Energy Connection-West.
In support of this protest, LuWanda G. Mumma avers as follows:

1. The name and contact information of the Protestant is as follows:

LuWanda G. Mumma
693 Falling Spring Road
Chambersburg PA 17202

2. I am a Franklin County PA resident, home-owner, and utility ratepayer.

3. I am concerned for what this will do to property value, natural wild life and the habitat of wild life, as well as farm land and farm animals. It has not been guaranteed to be a safe living environment due to the concentration of high voltage.

4. It is my understanding that residents of Pennsylvania will not benefit from the installation done by Transource Independence Energy Connection Project. And could possibly if not definitely impact the utility rates locally.
