Application of Transource Pennsylvania, LLC

Filed Pursuant to 52 Pa. Code Chapter 57, Supchapter G

For Approval of the Siting and Construction of the 230 kV Transmission Line

Associated with the Independence Energy Connection-West Project in Portions of Franklin County

Docket No. A-2017-2640200

PROTEST

Pursuant to 52 Pa. Code Sections 5.51, *et seq.* and 66 Pa. C. S. Sections 1101, *et. seq.*, Brechyn Chace files this Protest to the Independence Energy Connection-West. In support of this Protest, Brechyn Chace avers as follows:

1. The name and contact information of the Protestant is as follows:

Brechyn Chace

6167 Greenbriar Terrace

Fayetteville, PA 17222

2. I am a resident of Fayetteville, in Franklin County, PA.

I am a citizen in good standing of the Commonwealth of PA.

3. My fellow citizens and I have individual rights, under both the state and federal auspices.

Specifically, Article 1, Section 27 of the PA Constitution states:

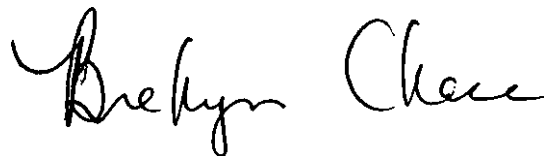

The people have a right to clean air, pure water, and to the preservation of the natural, scenic, historic and esthetic values of the environment. Pennsylvania's public natural resources are the common property of all the people, including generations yet to come. As trustee of these resources, the Commonwealth shall conserve and maintain them for the benefit of all the people.

(May 18, 1971, P.L.769, J.R.3)

4. It is apparent to any right-thinking person that the approval for the construction of twenty five miles of six-strand overhead power lines supported by towers of thirteen stories tall (135 feet), thirty feet wide, place five to six per mile on a 130-foot right-of-way running thorough virgin and pristine greenland (farms, pastures, neighborhoods, yards) directly interferes and negates the rights of Pennsylvanians. Transource has NOT shown a need for this project, and certainly is not acting in the public's best interest. In fact, this private, for-profit company is attempting to subvert individual's rights to clean air, pure water, and the preservation of the natural, scenic, historic and esthetic values othe environment.

WHEREFORE, Brechyn Chace respectfully requests that the PA Public Utility Commission NOT APPROVE the filing. I also respectfully request that any public hearings be held in Franklin County, so that citizens can more easily attend to voice their concerns and show their support for STOPPING the Power Lines.

Respectfully submitted,

A handwritten signature in black ink that reads "Brechyn Chace". The signature is written in a cursive, flowing style.
