**BEFORE THE  
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Application of Transource Pennsylvania, LLC  
Filed Pursuant to 52 Pa. Code Chapter 57, Supchapter G  
For Approval of the Siting and Construction of the 230 kV Transmission Line  
Associated with the Independence Energy Connection-West Project in Portions of Franklin  
County  
Docket No. A-2017-2640200

**PROTEST**

Pursuant to 52 Pa. Code Sections 5.51, et seq. and 66 Pa. C. S. Sections 1101, et. seq.,  
Kenneth L. Lehman files this Protest to the Independence Energy Connection-West. In support  
of this Protest, Kenneth L. Lehman avers as follows:

The name and contact information of the Protestant is as follows:

Kenneth L. Lehman  
1592 Fairview Ave  
Chambersburg, PA 17202

To Whom It May Concern,

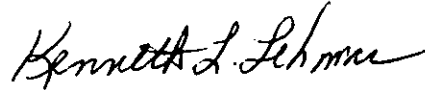

I am writing this letter in regards to the power line that is proposed to be built through my farming property. The power line will be of no benefit to me as a landowner, landlord or to our neighbors. It currently is not necessary for reliability or any other electrical or economic need of Pennsylvanians. We will also not be receiving any of the benefits, but all of the burden.

I am filing this protest because I farm this land. This land has been farmed by our family since 1959. I have been farming it since 1983. If the power lines are approved, IEC will be allowed come in and dig, compacting the soil so hard it will be difficult or impossible to grow crops there for several years. Or, if a crop is already planted, they will destroy my crop. I also have tenants that are worried about the stray voltage that the lines will generate. The land will go down in value, which will affect the property if I try to sell it. Our electric bill will also increase, as we now will have to compete with Baltimore and Washington DC.

The power line provides no benefit to myself, my community or the surrounding area. I am concerned that IEC puts the financial goals of the wealthy and politically connected ahead of the livelihood of disadvantaged Pennsylvanians and I ask that you stand up for our interests and deny this project.

WHEREFORE, I, Kenneth L Lehman, representative of the Lehman Family Farm LLC (686 Mower Rd Chambersburg, PA 17202 09-0C18.-030.-000000) respectfully request that the Pennsylvania Public Utility Commission not to approve the proposed power lines.

Respectfully submitted,

Kenneth L. Lehman
