Re: Application of Transource Pennsylvania, LLC
Filed Pursuant to 52 Pa. Code Chapter 57, Subchapter G,
For Approval of the Siting and Construction of the 230 kV Transmission Line
Associated with the Independence Energy Connection – West Project
In Portions of Franklin County, Pennsylvania
Docket Number: A-2017-2640200

Dear Secretary Chiavetta:

As a resident of Waynesboro, PA, I am writing to protest the construction of Transource Utility towers across Franklin County. I believe the project will negatively impact our county's tourism and agricultural business as well as be an eyesore to homeowners and residents of the area.

Please consider the wishes of Franklin County residents and future generations by canceling plans to construct the aforementioned towers and transmission lines.

Respectfully submitted,

Deborah Pflager
