**RE: Petition of The York Water Company for Waiver of 120 Day Filing
Period under 52 Pa. Code 53.52(b)(2)
Docket No. R-_____**

Dear Secretary Chiavetta:

The York Water Company ("York Water" or the "Company") hereby petitions the Pennsylvania Public Utility Commission for permission to depart from the requirements of 52 Pa. Code 53.52(b)(2), concerning the time period between the end of an historic test year and the date on which a proposed increase in base rates is filed pursuant to Section 1308(d) of the Public Utility Code, 66 Pa.C.S. 1308(d). The Company is requesting a thirty (30) day extension to the filing date.

The Company intends to propose a general increase in base rates, which is designed to produce more than \$1 million in additional annual operating revenues. We intend to submit data in support of the proposed increase in rates based upon an historic test year ended December 31, 2017, and a fully projected future test year ending January 31, 2020, as adjusted for ratemaking purposes. Under 52 Pa. Code 53.32(b)(2), such filing is required to be submitted on, or before, April 30, 2018. We request a thirty (30) day extension of this filing date, in order that we may be permitted to submit this base rate filing on, or before, May 30, 2018. The Company may be able to file the rate case on or before April 30, 2018, but we are filing this request for extension as a precautionary measure. If the extension is necessary, our fully projected future test year ending date will change to February 29, 2020.

The foregoing petition for permission is limited to the filing requirement provisions of 52 Pa. Code 53.52(b)(2) as they apply to the tariff or tariff supplement proposing an increase in base rates to be filed by us on or before May 30, 2018, and has no applicability to any subsequent tariff filing.

Respectfully submitted,

Matthew E. Poff
Chief Financial Officer
