Re: Extension of 120 day filing rule for rate changes.

Dear Ms. Chiavetta,

I am writing to you to petition a waiver to the 120-day filing rule for small water utilities. Due to circumstances related to the operation of the business, I have been unable to approach this matter until recently. I am currently waiting on financial reports from my accountant which relate to the preparation of the filing. After receiving this information, I will be able to formalizing the increase. Therefore, I am requesting a 90-day extension of the 120-day filing rule for a rate change to July 29th, 2018.

Approval of this extension will enable the Company to file for additional revenues required to meet current and new regulations imposed by the Department of Environmental Protection and to continue to provide adequate safe and reliable service to its customers.

Sincerely,

Randall L. Rhodes,
Secretary
