Filing with Pennsylvania Public Utility Commission-Audit-Recertification

The filing of the company's preliminary annual gas cost rate effective during the billing periods of November through October shall be submitted to the Commission by September 2nd of each year, 60 days prior to the November 1 effective date. The filing of the company's final filing, together with revisions to data in the preliminary filing, shall be submitted to the Commission by October 2 of each year, 30 days prior to the November 1 effective date.

The application of the gas cost rate shall be subject to continuous review and to audit by the Commission at such intervals as the Commission shall determine. The Commission shall continuously review the reasonableness and lawfulness of the amounts of the charges produced by the gas cost rate and the charges included therein.

If from such audit it shall be determined, by final order entered after notice and hearing, that this clause has been erroneously or improperly utilized, the Company will recertify such error or impropriety, and in accordance with the terms of the order apply credits against future gas cost rates for such revenues as shall have been erroneously or improperly collected. The Commission's order shall be subject to the Right of Appeal.

Exclusion from Other Charges

Amounts billed for the gas cost rate shall be subject to the Gross Receipts Tax and State Tax Adjustment Surcharge as set forth elsewhere in this tariff.
