Re: Petition of Delaware Sewer Company for an Investigation into Whether the Public Utility Commission Should Order a Capable Public Utility to Acquire Delaware Sewer Company; Docket No. I-2016-2526085

STATUS OF SETTLEMENT NEGOTIATIONS

Dear Administrative Law Judge Haas:

The Order re Stay of Litigation Schedule issued in this matter on February 14, 2018, requires the parties to provide an update as to settlement efforts on or before Wednesday, June 13, 2018. This correspondence is intended to provide that update.

Delaware Sewer Company and Pennsylvania-American Water Company are continuing to negotiate an Asset Purchase Agreement ("APA"). Although they have made significant progress toward reaching an agreement, the APA has not yet been executed.

It is requested that the stay of the litigation schedule be extended for a period of thirty days, so that the parties may continue their negotiations. If the parties have not submitted a settlement petition for consideration by that date, they will file another status report with the Commission.

Counsel for PAWC has discussed this extension request with the other counsel in the case, and is authorized to represent to Your Honor that all parties consent to this request for a thirty-day extension of the stay.
