Duquesne Light requests that the Commission and all parties of record serve copies of all discovery requests and answers, correspondence, Commission Orders and any documents issued in this proceeding on counsel for Duquesne Light at the above addresses.

5. On January 28, 2019, Peoples filed a Base Rate Case Filing with the Pennsylvania Public Utility Commission (“Commission”) seeking a base rate increase of \$94.9 million resulting in, *inter alia*, a 14.4% increase to commercial customers.

6. The Commission’s regulations at 52 Pa. Code § 5.72(a) provide that “A petition to intervene may be filed by a person claiming a right to intervene or an interest of such nature that

intervention is necessary or appropriate to the administration of the statute under which the proceeding is brought. The right or interest may be one of the following:

- a. A right conferred by statute of the United States or of the Commonwealth.
- b. An interest which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding.
- c. Another interest of such nature that participation of the petitioner may be in the public interest.

7. Duquesne Light clearly meets the standard for intervention, as set forth below.

8. Duquesne Light seeks to intervene in this proceeding to address issues related to,

*inter alia:*

(a) How the proposed rate increase will impact Peoples' distribution rates, reliability, customer service, and quality of service for its customers, including Duquesne Light.

(b) Any tariff changes proposed or appropriate in connection with the base rate filing.

9. Duquesne Light may identify other issues that may arise as the proceeding develops, and reserves the right to address such issues as they arise.

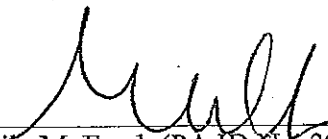

10. The interests of Duquesne Light are not represented by any other participant in this proceeding, the outcome of which will be binding upon Duquesne Light.

11. As a Peoples customer, Duquesne Light has a direct and substantial interest in this proceeding, and Duquesne Light's participation is in the public interest.

12. Because no other entity can represent Duquesne Light's interests, Duquesne Light requests that it be permitted to intervene as a party in order to adequately represent and protect its interests in this proceeding.

**WHEREFORE**, Duquesne Light Company respectfully requests that its Petition to Intervene be granted and that it be accorded full party status in the above-captioned proceeding.

Respectfully submitted,

---
