Re: Exeter Township, Berks County
Act 537 Plan

Dear Michael:

Please be advised to the best of my knowledge and belief that all sanitary sewer lines identified in the current Township's Act 537 Sewage Facilities Plan have been completed and that the Township is in compliance with that document.

Public water service within the Township is provided by the Pennsylvania American Water Company. Areas outside the public water service area utilize private wells.

Thank you.

Sincerely,

John A. Granger
Township Manager
