RIDER "EA" --- EAST ATHENS EXPANSION PROJECT SURCHARGE

Applicability. In lieu of the extension rules set forth in Rule 4 of this Tariff, the Company will charge customers in the "East Athens" area of Athens Township (*i.e.*, the area east of the Susquehanna River), an East Athens Expansion Project Surcharge ("EA Surcharge") set forth in this Rider EA. The East Athens Expansion Project area shall be defined as the properties located immediately adjacent to the gas main extension route shown in Attachment E of the Company's filing at Docket No. P-2018-3006500 implementing this Rider. Rider EA shall be in effect for the first 134 new customers taking service via the East Athens Expansion. Each customer in East Athens and/or served through extensions of the initial gas main extension that was constructed to serve the East Athens area shall pay the EA Surcharge each month unless the customer chooses to make a one-time payment of \$2,754 to pay for the customer's portion of the expansion project cost. The EA Surcharge shall be classified as a non-basic charge. Customers that are not directly adjacent to the gas main extension route may be required to pay an additional contribution under Rule 4 if the extension of mains and service lines to serve the property exceed 200 feet.

Monthly EA Surcharge Rate. \$29.20 per meter

Surcharge Effective Date. The EA Surcharge shall start with the first date that a meter is set to serve an Applicant through the East Athens Expansion Project. The EA Surcharge shall apply to each applicable account for 120 billing cycles after the initial date that the account begins service from the Company, subject to the Customer's option to pay the remaining principle at any time.

Late Payment Charges Apply. If the customer fails to pay the full amount of the EA Surcharge on any bill a delayed payment penalty charge of one and one-quarter percent (1 ¼%) per month will accrue on the portion of the bill that is unpaid on the due date.

Tracking and Termination of Surcharge. The Company shall track the EA Surcharge on an account-by-account basis. Customers paying the EA Surcharge shall be permitted at any time to pay the remaining principle amount of their individual upfront CIAC amount. If the customer of record who initiates service under Rider EA moves or sells the applicable property, and the subsequent occupant/owner desires to continue receiving service, the subsequent occupant/owner shall be required to execute a line extension agreement in which the customer commits to pay for the remaining CIAC amounts due. The Company shall discontinue Rider EA on one-days' notice once 134 customers have completed all Rider EA payments.
