PUC Docket Number ~~A-2019-006889~~

Dear Commission Secretary, Judge Haas, & Judge Myers,

I object to the proposed joint petition for Settlement made by Pennsylvania American Water in the acquisition of Steelton Borough's water . I feel that a 40% increase is excessive. I am not opposed to a smaller increase but 40% is too much especially for those on fixed incomes.

Sincerely,

Brenda S Starkweather
