To Whom it may concern:-

I am writing in reference to PUC docket number A - 2018 - 3004933.

We here in Exeter Township have been told that our sewer system has been bought by Pennsylvania American Water and that they are asking for a 50% increase in sewer charges.

This is far too much we who live on a fixed income cannot afford it. Our real estate taxes are chocking us to death and now this. Food alone has gone up at a awful rate.

Please think twice before you grant this

Thanking You
