Dear Mr. or Ms.:

I am writing to ask you to please stop the sale of the Exeter Township wastewater system. The Township Supervisors were not acting in the best interest of the residents when they voted to sell the wastewater system.

The obvious result will be a massive increase (1.8 times the current rates) in wastewater bills to take effect in January 2021. How does that serve the community? Many of us don't feel that it serves us anything but badly and expensively.

Please block the impending sale. The residents of Exeter Township will thank you.

Sincerely,

Jonathan A. Stein
