Dear Judge Calvellii

I object to the proposed settlement of puc docket number A-2018-3004933. I live in Exeter township and I already seen my sewer bill go up more then 50 % in the last year. I am a factory worker and cannot afford such ridiculous increases. My paycheck mite go up 2% a year. I also feel sorry for the many seniors that are on fixed income that are forced to do this. Pennsylvania – American water thinks that billing monthly will ease the burden. I think it just makes more paperwork. Thanks for your time.

Sincerely Kenneth Stoudt Jr.
