

To whom it may concern,

I am writing to fully object to the sale of the Exeter Wastewater Treatment Plant to Pennsylvania American Water. If my rates go up due to Exeter making repairs or alterations my rates would go up slowly. With the sale of the treatment plant going to American Water my rates are going to go up immediately by 80% when all is said and done. I do not know any area resident who would possibly agree to the sale of our treatment plant so that our rates can skyrocket and then continually rise above that.

Sincerely,
James Howrie
