RE: Public Hearing to drill private Well in Sagamore Estates, Serviced by Twin Lakes Water Company

To Whom It May Concern:

Please be advised that we have received an application from a resident for a well permit within the Sagamore Estates planned community. That permit was initially denied, and an appeal has been taken. The landowners are James and Jayne Hopkins. An appeal hearing is currently scheduled for September 12 at 6:30 p.m at the Township Building in Shohola, located at 159 Twin Lakes Road, Shohola, PA.

Because Mr. & Mrs. Hopkins's lot is serviced by the Twin Lakes Utilities, Inc., the Township is acting in an abundance of caution by initially treating both the Twin lakes Utilities, Inc. and PUC as parties in interest to this appeal. If you respond that you are not interested in being considered a party, or if you do not appear at the hearing, then the Board of Supervisors will decide the appeal based solely upon evidence provided by the Applicant.

Our Solicitor has requested that I advise you that the Township has been approached informally by other landowners within Sagamore Estates who have expressed interest in such waivers, presumably to terminate their existing service. While no hearing has yet been held on this issue, it should be expected by all interested parties that whatever decision the Board renders may be followed as precedent applying to future, similar applications. We would appreciate advance notice in the event that you plan to appear at the hearing and present evidence.

Please be guided accordingly.

Sincerely,

Diana Blume
Township Secretary
