**PREHEARING MEMORANDUM OF CITIZENS' ELECTRIC COMPANY
OF LEWISBURG, PA, WELLSBORO ELECTRIC COMPANY AND
VALLEY ENERGY, INC.**

Citizens' Electric Company of Lewisburg, PA ("Citizens"), Wellsboro Electric Company ("Wellsboro") and Valley Energy, Inc. (collectively, "Companies" and each individually, "Company"), hereby submit this Prehearing Memorandum in anticipation of the Prehearing Conference scheduled for September 13, 2019.

I. HISTORY OF THE PROCEEDING

On July 1, 2019, Citizens' filed with the Pennsylvania Public Utility Commission ("PUC" or "Commission") Supplement No. 132 to Tariff Electric-Pa. P.U.C. No. 14 ("Supplement No. 132"), proposing an annual increase in rates of \$792,246, Wellsboro filed with the PUC Supplement No. 125 to Tariff Electric-Pa. P.U.C. No. 8 ("Supplement No. 125"), proposing an annual increase in rates of \$1,419,610, and Valley filed with the PUC Supplement No. 49 to Tariff Gas-Pa. P.U.C. No. 2 ("Supplement No. 49"), proposing an annual increase in rates of \$1,034,186.

The Office of Consumer Advocate ("OCA") filed Formal Complaints against each Company's proposed rate increase. Athens Borough, South Waverly Borough and Larry E. Cole also filed Formal Complaints against Valley only. The Office of Small Business Advocate ("OSBA") submitted Notices of Appearance in each proceeding and filed a Formal Complaint against Wellsboro only. Pursuant to 52 Pa. Code § 5.61(d), the Companies elected not to file answers to the Complaints.

On July 22, 2019, the Joint Statutory Advocates (*i.e.*, OCA, OSBA and the Bureau of Investigation and Enforcement ("I&E")) filed Motions to reject the rate filings of Wellsboro and Valley. On July 29, 2019, Valley revised Supplement No. 49 to reflect a proposed annual increase in rates of \$834,497, and on July 31, 2019, Wellsboro updated Supplement No. 125 to reflect a proposed annual increase in rates of \$999,967.

On August 29, 2019, the Commission entered an Order suspending Citizens', Wellsboro's and Valley's proposed tariff supplements by operation of law until March 30, 2020, and instituted an investigation into the proceedings. On September 9, 2019, the Companies filed tariff supplements voluntarily extending the suspension periods through April 29, 2019. These proceedings were referred to the Office of Administrative Law Judge, where Administrative Law Judges ("ALJs") Steven K. Haas and Benjamin Myers were assigned to all three cases, and a Prehearing Conference was scheduled for September 13, 2019.

III. ANTICIPATED ISSUES AND SUB-ISSUES

In general, the Companies will address the proposed changes to their base rates as necessary to affirm that the tariff supplements set forth just and reasonable modifications that will provide each Company with an opportunity to earn a fair rate of return on its utility property. Citizens', Wellsboro and Valley will present evidence establishing that each Company's respective rate increase request is just and reasonable, and therefore, should be granted.

To support the requested rate increases, the Companies anticipate addressing the following sub-issues:

1. Revenue Requirement – The Companies will demonstrate that the proposed rates appropriately reflect sales and revenues in the Historic, Future, and Fully-Projected Future ("FPF") Test Years.
2. Expenses – The Companies will demonstrate that they appropriately reflected and accounted for known and measurable expenses in the Historic, Future, and FPF Test Years.
3. Rate of Return – The Companies will show that the proposed rate of return reflects an appropriate capital structure, cost of debt and cost of equity, and will provide the Companies with the minimum revenues necessary to allow an opportunity to earn a fair return on utility property.

4. Rate Base – The Companies will confirm that their developed rate bases appropriately reflect the original cost of utility plant in the Historic, Future, and FPF Test Years, depreciation reserve, cash working capital, and materials and supplies.
5. Rate Structure – The Companies will support their proposed rate allocations.
6. Rate Design – The Companies will demonstrate that their proposed design changes are just, reasonable and not unduly discriminatory.

V. PROPOSED SCHEDULE AND DISCOVERY RULES

The Companies propose the below procedural schedule.

Event	Date
Companies' Rate Case Filings	July 1, 2019
Companys' Direct Testimony	August 2, 2019
Prehearing Conference	September 13, 2019
Other Parties' Direct Testimony	October 11, 2019
Initial Settlement Conference	Prior to October 28, 2019
All Parties' Rebuttal Testimony	November 6, 2019
All Parties' Surrebuttal Testimony	November 25, 2019
Companies' Oral Rejoinder Outline	December 4, 2019
Hearings (including Oral Rejoinder) in Harrisburg	December 9-10, 2019
Main Briefs	December 30, 2019
Reply Briefs	January 10, 2020
Suspension Period Ends	April 29, 2020

The Companies are engaged in discussions with the parties regarding the procedural schedule and will continue discussions in anticipation of reaching a consensus schedule before the Prehearing Conference.

Additionally, discovery has commenced for the proceedings, with the Companies responding to approximately 1,500 data requests and interrogatories, including subparts, to date. Due to the relatively small size of the Companies' staff, and the Companies' efforts to respond to discovery requests from the parties, the Companies suggest that, in lieu of any acceleration of the discovery deadlines, all parties commit in good faith to respond to each request as quickly as possible.

The Companies propose that service via electronic mail with a hard copy to follow by First-Class Mail shall constitute sufficient service to satisfy any "in-hand" dates. In addition, any

discovery served after 12:00 p.m. on Friday or holidays should be considered to have been served on the following business day for purposes of calculating any responsive deadlines.

VI. CONSOLIDATION

The Companies support consolidation of Citizens', Wellsboro's and Valley's rate case proceedings.

VII. POSSIBILITY OF SETTLEMENT

The Companies are willing to pursue settlement discussions with the other parties to amicably resolve the issues in these proceedings, subject to the approval of the Commission. In addition, the Companies are willing to schedule informal settlement conferences as appropriate. The Companies anticipate productive discussions with the parties and will undertake reasonable efforts to fully or partially resolve these proceedings.

Respectfully submitted,
