Re: Notice of Assignment of Electric or Gas Service Agreement with Agera Energy, LLC or energy.me midwest llc d/b/a energy.me

Dear Valued Customer:

You previously received a Notice of Assignment and Assumption from Agera and energy.me midwest llc d/b/a energy.me (collectively, "Agera") dated October 22, 2019 informing you that in connection with Agera's chapter 11 bankruptcy proceeding, the service contract(s) you have with Agera in Pennsylvania that are listed on the attached "Transferred Contract List" would be transferred from Agera to another energy supply company (the "Service Contract(s)"). In particular, Agera has entered into an agreement to sell certain parts of Agera's business, including the electric Service Contract(s), to Constellation NewEnergy, Inc. and natural gas Service Contract(s) to Constellation NewEnergy-Gas Division, LLC (collectively "Constellation"), for continued electricity and/or natural gas service by Constellation.

We are writing to inform you that on or after your December 2019 meter read, your electric or gas service agreement with Agera is expected to be assigned to Constellation. Transfer of the Service Contract(s) may occur sooner or later depending on a number of factors including the action of your local utility company. **The rates, and terms and conditions of your current service agreement with Agera will not change and will remain in effect through the term of the agreement.** Although you may receive a notification from your local utility confirming the change, **there is no action required on your part and there will be no interruption to your service.** Constellation will assume and perform the same supplier obligations previously performed by Agera. If you are billed by the utility, this will continue unchanged except that Constellation's information will replace Agera's on your monthly billing statements. If you were billed by Agera, you will begin receiving a bill from Constellation. Important Note: You may receive invoices from Agera after the date of this notice and after your service has been transitioned to Constellation for periods of service prior to that transition. The invoices will contain instructions detailing how you are to pay Agera.

If you have any questions or concerns about this assignment, please contact Agera at 877-273-7276 between 8:30 a.m. and 5:30 p.m. EST or by email at customercare@ageraenergy.com.

Upon assignment to Constellation, customer inquiries should be directed to Constellation using the contact information provided below. To learn more about Constellation, please visit www.constellation.com.
