PART III: RULES AND REGULATIONS (CONT'D)

4. Specific dangers: In general, any waste will be considered harmful to the Company wastewater system if it may cause any of the following damaging effects:
- (a) chemical reaction either directly or indirectly with the materials of construction of the system in such a manner as to impair the strength or durability of the sewer structures;
 - (b) mechanical action that will destroy the sewer structures;
 - (c) restriction of the hydraulic capacity of the sewer structures;
 - (d) restriction of the normal inspection or maintenance of the sewer structures;
 - (e) danger to public health and safety; or
 - (f) obnoxious condition contrary to public interest.

Section L - Privilege to Investigate/Right of Access

The Company's authorized representatives shall have the right of access at all reasonable times to all parts of any premises connected with the system, for the purpose of examining and inspecting connections and fixtures, including the water and/or wastewater metering arrangement, or for disconnecting service for any proper cause.

Section M – Liability of Company – This Section Only Applies to Customers in Penn Estates Utilities, Inc. and Utilities Inc. service territories

The Company shall not be liable for damages of any kind or character for any deficiency or failure of sewer service, for the blockage or breaking or sewer overload for any deficiency in any Customer Service Line, or for any other interruption of sewer service caused by breaking of machinery, stopping for repairs or for any reason or occurrence beyond the reasonable control of the Company. The Company shall not be liable for any damage to any property caused by any of the foregoing reasons or for any other cause beyond the reasonable control of the Company.
