**In Re: Indian Springs Water Company – Docket Nos. M-2019-3011972 and
C-2019-3012933**

Dear Secretary Chiavetta:

In accordance with the November 14, 2019 Order entered by Administrative Law Judge Steven K. Haas in the above-referenced matter (“Order”), this status report is being filed, on behalf of all the parties, to provide an update on settlement discussions since the last letter status report filed on December 13, 2019.

The parties continue to informally share discovery and engage in fact-finding with respect to the current customers of the Indian Springs Water Company. This investigation is necessary in order to reach a potential amicable resolution of this matter without the need for litigation. A settlement call was held on January 10, 2020 and the parties feel that progress continues to be made and therefore see no need to establish a procedural schedule at this time. The parties will continue their efforts to negotiate a settlement and will file another status report in 30 days, as required by the Order.

Hard copies have been sent to the parties on the attached Certificate of Service.

Sincerely,

Elizabeth Rose Triscari

cc: The Honorable Steven Haas (*via first-class mail*)
