In re: Docket No. A-2019-3009052
Application of Aqua Pennsylvania Wastewater, Inc. – East Norriton Township

Dear Secretary Chiavetta:

We are counsel for Aqua Pennsylvania Wastewater, Inc. in the above matter, in respect to which the Recommended Decision of Administrative Law Judge Jones, dated March 10, 2020, recommends that the Public Utility Commission approve, without modification, the Joint Petition for Settlement submitted by Aqua, the Bureau of Investigation and Enforcement, the Office of Consumer Advocate, the Office of Small Business Advocate and East Norriton Township. The OCA filed an Exception to the Recommended Decision on March 20, 2020, expressing support for the Recommended Decision and continued support for the Joint Petition for Settlement but asking the Commission to clarify, or refrain from adopting, certain very limited aspects of the Recommended Decision. Please be advised that Aqua is not filing a Reply to the OCA's Exception.

Very truly yours,

THOMAS, NIESEN & THOMAS, LLC
