**In Re: Indian Springs Water Company – Docket Nos. M-2019-3011972 and  
C-2019-3012933**

Dear Secretary Chiavetta:

In accordance with the November 14, 2019 Order entered by Administrative Law Judge Steven K. Haas in the above-referenced matter (“Order”), this status report is being filed, on behalf of all the parties, to provide an update on settlement discussions since the last letter status report filed on March 16, 2020.

The parties continue to informally share discovery and engage in fact-finding with respect to Indian Springs Water Company (“ISWC”). This investigation is necessary in order to reach a potential amicable resolution of this matter without the need for litigation. The parties continue to investigate and share information regarding former and current ISWC customers and whether they have drilled wells, ordered wells, plan to order wells, or do not intend to order wells. At this time, some customers continue to express their desire to not drill wells or have not committed to drilling a well.

The parties feel that progress continues to be made and therefore see no need to establish a procedural schedule at this time. The parties will continue their efforts to negotiate a settlement and will file another status report in 30 days, as required by the Order.

Copies have been sent to the parties via electronic mail.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Rose Triscari". The signature is written in a cursive style.
