**PUBLIC STATEMENT OF THE  
OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 ("Act"). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Pennsylvania Public Utility Commission ("Commission") or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of an intervention regarding the proposed general base rate increase filing of June 30, 2020, by Reynolds Disposal Company ("Reynolds" or the "Company").

The Small Business Advocate is filing this intervention regarding the Company's proposed general base rate increase in order to protect the interests of the Company's small business customers. A thorough inquiry by the Commission into all of the elements of the

Company's proposed general base rate increase is necessary to ensure that the increase is lawful, just, reasonable, and not unduly discriminatory.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Commission to investigate the reasonableness of the proposed base rate increase. The Small Business Advocate will ask the Commission to deny any proposed new rates and other tariff changes that apply to small business customers that are not proven by Reynolds to be lawful, just, reasonable, and not unduly discriminatory.
