Re: Implementation of Chapter 32 of the Public Utility Code RE: Pittsburgh Water
and Sewer Authority; Docket Nos. M-2018-2640802 and M-2018-2640803

Petition of the Pittsburgh Water and Sewer Authority for Approval of Its Long-Term
Infrastructure Improvement Plan; Docket Nos. P-2018-3005037 and P-2018-3005039

Dear Secretary Chiavetta:

On behalf of The Pittsburgh Water and Sewer Authority, this is to request a 14-day extension, pursuant to 52 Pa. Code § 1.15, to file the compliance proposal directed by Ordering Paragraph 4 of the Commission's Opinion and Order entered June 18, 2020 in the above-referenced matter. The Order directed that the Authority file a compliance proposal to address various issues by September 16, 2020. A 14-day extension would make the compliance proposal due on September 30, 2020. Many of the parties to the proceeding support this request and no party objects to this request.

The parties conferred on the issues, as directed by Ordering Paragraph 4 of the Order. After the initial conference, many parties expressed an interest in a second conference. The second conference is scheduled for September 11, 2020. The reason for this request is that the parties are continuing to explore the issues raised in the Commission's Order and would appreciate additional time to explore resolution of several issues in advance of the Authority submitting its compliance proposal.

If you have any questions, please let me know. Thank you for your consideration of this request.

Sincerely,

Sarah C. Stoner
