Re: Application of Aqua Pennsylvania Wastewater,
Inc. pursuant to Sections 507, 1102, and 1329 of
the Public Utility Code for, inter alia, approval of
the acquisition of the wastewater system assets of
the Delaware County Regional Water Quality
Control Authority, Docket No. A-2019-3015173

Dear Secretary Chiavetta:

Please be advised that Edgmont Township, Lower Chichester Township, and Southwest Delaware County Municipal Authority ("Municipalities") are not filing Reply Exceptions in the above-referenced proceeding.

Municipalities continue to be actively engaged in settlement discussions with the Applicants in order to attempt to resolve their individual Protests. It is hoped that the negotiations will result in the resolution of each municipality's concerns prior to the Commission vote in this matter.

If Municipalities' Protests are not resolved prior to the Commission's vote, Municipalities do not object to either the remedy recommended by the Administrative Law Judges (that is, the denial of the Application without prejudice to the Applicants' right to re-file) or the remedy proposed by the Applicants (that is, the Commission imposing conditions that require the resolution of contractual issues with Municipalities prior to closing). See Aqua Exceptions, p. 17, and DELCORA Exceptions, p. 11.

This document is being served on the Administrative Law Judges and all parties of record. The document was filed electronically with the Commission on this date.

Sincerely,

Enclosure

cc: Angela Jones, Administrative Law Judge
F. Joseph Brady, Administrative Law Judge

All parties of record
