**Re: Pennsylvania Public Utility Commission v.  
Pennsylvania-American Water Company  
Docket Nos. R-2020-3019369 and R-2020-3019371**

Dear Secretary Chiavetta:

Attached please find Supplement No. 24 to Tariff Wastewater-PA P.U.C. No. 16. This supplement replaces and supersedes all pages filed in Supplement No. 19 to Tariff Wastewater-PA P.U.C. No. 16. By Order entered February 25, 2021 in the above-captioned proceeding ("Order"), the Commission approved the Joint Petition for Non-Uniform Settlement ("Joint Petition"). The tariff changes contained in Supplement No. 24 conform to the tariff supplement provided as Appendix B to the Joint Petition with the exceptions noted and explained below. The proof of revenues for the wastewater rates was provided as Appendix C to the Joint Petition.

In compliance with the Order, pages 35 and 52 from Joint Petition Appendix B are omitted from this compliance filing. In compliance with Paragraph 69 of the Joint Petition, the compliance tariff includes changes to pages 24, 30.1, 31, and 33.1 that were not included in Joint Petition Appendix A. In compliance with the commitment made on page 10 of PAWC St. No. 17-R, page 16 of the compliance tariff includes a change to the eligibility for the low-income rider. Page 8 is updated to remove the reference to Delaware in the Northeast District. Page 11.10 is updated to reflect that the unmetered rates are on a "per EDU" basis, consistent with the proof of revenues and the tariff currently in effect. Page 11.11 is updated to include bulk rates for the Exeter service area that were inadvertently omitted from the settlement tariff. The bulk rates are consistent with those shown in Appendix C to the Joint Petition.

The Order approving the Joint Petition permits PAWC to recoup the revenue increase not billed from the effective date (January 28, 2021) through the date of PUC approval of new rates in the manner set forth in the Commission's final Order in this proceeding. The Company is calculating the recoupment period from the effective date of January 28, 2021 through the day prior to new rates in this proceeding which is March 8, 2021 as indicated in the attached tariff supplement. The revenues from the recoupment period will be offset by surcharge (DSIC and TCJA) revenues during the same period. The final

calculation of the net recoupment surcharge cannot be made until the accounting close in the last month of the recoupment period; i.e. until after March 31, 2021. Accordingly, the Company has included a provision for the recoupment surcharge as page 19 of the attached tariff supplement. The recoupment surcharge will be calculated for recovery over a six-month period in accordance with the Joint Petition.

Copy of Supplement No. 24 to Tariff Water-PA P.U.C. No. 16 is being served as evidenced in the attached Certificate of Service.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Susan Simms Marsh". The signature is written in a cursive, flowing style.

1. **Billing Period:** The Company shall render a bill once every billing period to every Customer in accordance with approved rate schedules. The due date for payment of a bill for Residential and Non-Residential service shall be no less than twenty (20) days from the date of transmittal. If the last day for payment falls on a Saturday, Sunday or bank holiday, or on any day when the offices of the Company are not open to the general public, the due date shall be extended to the next business day. The Company may not impose a late-payment charge unless payment is received more than five (5) days after the stated due date.
2. **Late-Payment Charge:** All amounts not paid when due shall accrue a late-payment charge at the rate not to exceed one and fifty one-hundredths percent (1.50%) per billing period, not to exceed eighteen percent (18%) per year when not paid as prescribed in Rule 1 of this Section.  
(C)
3. **Change in Billing Address:** Where a customer fails to notify the Company of a change in billing address, the Customer shall remain responsible to remit payment by the billing due date.
4. **Application of Payment:** Utility bills rendered by the Company shall include only the amount due for utility service. Where a customer remittance to the Company includes payment for any non-utility services, proceeds will be applied first to pay all outstanding regulated utility charges.
5. **Return Check Fee:** The customer will be responsible for return check fee as provided in the Schedule of Miscellaneous Fees and Charges section of the tariff, per incident where a check or automatic transfer of funds, which has been presented to the Company or its agent for payment of any bill, is returned by the bank for any reason including, but not limited to, non-sufficient funds, account closed, payment stopped, two signatures required, postdated, stale date, no account, drawn against uncollected funds, and unauthorized signature. This fee is in addition to any and all charges assessed by the bank.

The Customer is not obligated to pay the disputed amount during the pendency of the Company's investigation. When the Company has made a report to the Customer sustaining the bill as rendered, the Customer shall have fifteen (15) days from the date of such report in which to pay the bill.
