**Re: Petition of PPL Electric Utilities Corporation (PPL) to Temporarily Amend Its Current 2017-2022 Universal Service and Energy Conservation Plan (2017 USECP)
Docket Nos. P-2020-3023238 and M-2016-2554787**

Dear Ms. Chiavetta:

On December 9, 2020, PPL Electric Utilities Corporation ("PPL Electric") filed the above referenced Petition requesting permission to extend the expanded income eligibility requirements for Operation HELP through the duration of its USECP. A Secretarial Letter was issued on January 6, 2021 approving the request to extend the Operation HELP income eligibility requirements from 200% of the federal poverty income guidelines ("FPIG") to 250% of FPIG through December 31, 2021. PPL Electric was directed to file with the Commission a quarterly status update beginning April 30, 2021 and continuing through January 31, 2022, to include the total number and total dollar amount of Operation HELP grants issued to recipients whose annual income is between 201% of the FPIG and 250% of the FPIG, and the total amount of Operation HELP funds remaining.

For the third quarter of 2021, PPL Electric supported 105 customers with income between 200-250% of the FPIG with Operation HELP grants totaling \$63,782.00. The total Operation HELP funds remaining as of September 30, 2021 is approximately \$318,034.00.

If you have any questions regarding the above information, please call me or Melinda Stumpf, Manager – Regulatory Programs/Business Services, at (484) 634-3297.

Respectfully submitted,
