Re: Business Automation Technologies, Inc. d/b/a Data Network Solutions
Application for Approval to Offer, Render, Furnish or Supply Telecommunications
Services to the Public in the Commonwealth of Pennsylvania

Dear Mr. Young:

By Order adopted at Public Meeting held December 16, 2021, at Docket Nos. A-2020-3020738 and A-2020-3020740, the Commission approved the application of Business Automation Technologies, Inc. d/b/a Data Network Solutions (Company) to operate in the Commonwealth of Pennsylvania as an Interexchange Carrier Reseller (IXC-R) (statewide) and as a Competitive Local Exchange Carrier (CLEC) in the service territories of Verizon Pennsylvania LLC and Verizon North LLC. In order to receive Certificates of Public Convenience to provide these services, the Commission directed the Company to file initial tariffs containing the revisions provided in Appendix A of the Order. On April 15, 2022, the Company filed Tariff Telephone-Pa. P.U.C. Nos. 1 and 2 with an effective date of April 18, 2022.

This letter is to notify you that Tariff Telephone-Pa. P.U.C. Nos. 1 and 2 have been permitted to become effective as filed. This permission does not constitute a determination that the tariffs are just, lawful, and reasonable, but only that suspension or further investigation does not appear warranted at this time, and is without prejudice to any formal complaints timely filed against said tariffs.

If you have any questions in this matter, please contact Spencer Nahf, Telco Section, Bureau of Technical Utility Services at (717) 787-5164 or snahf@pa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta
Secretary

Enclosure: Certificates of Public Convenience
