To Whom It May Concern,

Re: docket #M-2023-3038060.

My name is Wendy Herner and I reside at 208 Frances Avenue, Lancaster, PA 17602. In December 2023, I noticed that my electric bill went up a good portion. Of course, I paid the bills thinking it was something I was doing to cause it.

Later I found out that it was a mistake by PPL. So, I would like to be considered in the settlement.

Thank you.

Wendy Herner
