**RE:** Case# M-2023-3038060

To whom it may concern:

In regard to the referenced case number: I was affected during the coverage period from December 2022 to April 2024. This was financially inconvenient as I'm a senior citizen who lives on a fixed income.

I appreciate any monetary distribution this case may afford me. I pray you pass on this refund onto **ALL** people affected by this case.

Sincerely,

Frances V. Jurewicz
