My PUC File Case #3917305 (Stefanin Micolucci)

I called PP&L Five (5) times about my bill. I was charged \$3,666.00 for 2023. My bill normally would be around \$3,000

Per year with a credit or overpayment of around \$300 which PPL takes off the January bill. Each time I called PPL I would ask what my KWH was for March 2023. Every time I asked the question the PPL representative would hang up on me. The reason I was asking PPL this question is because Two (2) days in February and all of March 2023 we were not at home. Everything in my house that is electric was turned off except 3 lights. In my estimate PPL owes me \$850.00. We are also stock holders of PPL and have been for a long time.

Thank you
