To Whom It May Concern:

We are contacting you, (Secretary, Pa. Public Utility Commission) because we believe and feel we are being extremely overcharged on our PPL Electric bill. This all started with all of the confusion on overcharging - under charging - no bills occurring.

Our PPL Electric bill is continuously climbing - we can't seem to catch up. We make payments but we are on a fixed income like others. It is now a few thousand dollars, and we live in fear our PPL Electric will be cut off.

We have tried numerous times to contact PPL Electric for explanations and help.

Any help you could give us would be greatly appreciated - perhaps look into this matter.

Thank you for your time.
