To whom it may concern,

we received our PPL Bill today,

and found the Bill to be 3 times what it was last month. I as a customer AM UNABLE to come up with a REASONABLE explanation for such a drastic increase. I would like to have my electric meter checked, this is the 2nd time such a change was noticed. My wife & I are both retired & to be able to pay such a Bill is NOT EASY. A REASONABLE explanation will help.
