Ref: M-2023-3038060

In December 2022 we received no bill for our electric service with PPL. Our January bill was over \$900.00 which was approximately 3x a normal bill. We read in the paper that PPL was going to make adjustments in the February 2023 bill which never happened. We would like to see a review of the billing on 12/2022, 1/2023, and 2/2023 and the necessary reimbursement of any overcharges from that time period.

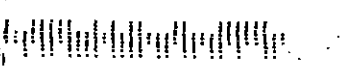

Respectfully Submitted,
