Hello.

Please accept this as my comments regarding settlement #M-2023-3038060, due to me not receiving bills several months toward the end of 2023, I called PPI, they said I would receive bills in the next few weeks. I did receive several bills over the next few weeks and they were much higher than what I usually pay. I filed a complaint with PPL and then the better business bureau but was told my bills were correct. I never believed this and I am still paying on these bills, I am retired and on a limited income and would like to be considered as part of the settlement if possible. Thanks, Mary Lou Shaw
