### NOTES:

- No amendments to agenda.
- August 2014 public minutes adopted.
- No website comments.
- No monthly C2C reported results comments.
- No PA Regulatory updates.
- NY CWG – The proposal to delete low/no volume metrics is pending. The proposal has been posted in the NY State Register. Upon posting, the 45 day public comment period began. Interested Parties should review this document. If the proposal is adopted, it will likely be proposed in other states (including PA).
- Parties should review the PA CWG Statement of Purpose and the PA CWG Agreement (see links in footer).
  - Consider any and all edits to the documents. Should they be combined into a single document?
  - Remember that the PA Carrier Work Group deals with the guidelines and remedy reviews.
  - Parties should consider the relevance of the items in each document and provide any necessary updates.
  - Parties were instructed to email their suggested edits (via redline) to the PUC and to the Chairman of the CWG by COB October 20, 2014.
  - Copies of the redline will be circulated on October 30, 2014
  - Parties should review the combined redline and provide any feedback and comments to by COB November 20, 2014
