Block of rooms reserved under the name "Pipeline Safety". Room rate is \$99. For reservations, reference group code PIPJ12A at website www.pshs.psu.edu or call 1-800-233-7505. Rooms need to be reserved by September 10 to get the reduced room rate.

The annual Pennsylvania Public Utility Commission's Gas Safety Seminar is open to any public utility, producer, pipeline company, master meter operator and any entity interested in pipeline safety. Every three years the Pennsylvania Public Utility Commission's Gas Safety Office must invite the Pipeline and Hazardous Material Safety Administration to our annual meeting to provide a two day class that will review and update the federal pipeline safety regulations as they pertain to 49 CFR 192. This year, Dewitt Burdeaux, from PHMSA will be the instructor at our seminar. Dewitt is an experienced engineer with PHMSA and is an instructor at the PHMSA training school.

There have been a number of amendments to the pipeline safety regulations, and this class will be a great forum to review and discuss all pipeline safety regulations pertaining to 49 CFR 192. The class will also review the Federal Regulations for Gathering/Transmission Pipelines.

Please register with the Gas Safety Office by September 10
