

TELECOMMUNICATIONS CARRIERS PA PUC REPORTING REQUIREMENTS

Following are descriptions of telecommunications carrier reports required by the Pennsylvania Public Utility Commission (PUC), and the associated PUC contact for that specific report. Each company is responsible to adhere to all of the established rules, regulations and directives of the Commission on reporting requirements of utilities. For questions on a specific report please contact the person listed as the PUC Contact for that report. All other inquiries may be directed to the Bureau of Technical Utility Services at (717) 783-5242.

Report Name & Description	PUC Contact
