**You May Save Money**

The Pennsylvania Public Utility Commission and the Department of Public Welfare want consumers with limited incomes to know that there is help to keep their phone service connected, reduce monthly phone bills and avoid shut-offs.

Lifeline\*, Lifeline 135, and the Universal Telephone Assistance Program (UTAP)\*\* are three ways for limited-income consumers to receive help with their phone bills.

## Lifeline 135

The Lifeline 135 program is available for customers of all qualified telephone service providers. It helps customers who have incomes at or below 135 percent of the federal poverty guidelines or receive help from any of the following programs: Supplemental Security Income (SSI), Temporary Assistance for Needy Families (TANF), Low-Income Home Energy Assistance Program (LIHEAP), Federal Public Housing Assistance, Medicaid, Supplemental Nutrition Assistance Program (SNAP) or the National School Lunch Program's Free Lunch Program.

Lifeline 135 helps reduce the cost of monthly phone service for one telephone line. Customers who receive Lifeline may also purchase optional services such as Caller ID at the normal cost.

## Lifeline\*

Lifeline is a program presently available only to Verizon PA and Verizon North telephone customers who have incomes at or below 100 percent of the federal poverty guidelines or who receive: Supplemental Security Income (SSI) or Temporary Assistance for Needy Families (TANF).

Lifeline helps reduce the cost of monthly phone service for one telephone line.

## Universal Telephone Assistance Program (UTAP)\*\*

UTAP helps Verizon PA customers who qualify for Lifeline pay their overdue bills, avoid shut offs and restore basic local telephone service.

**Programs are available to both new and current customers. Contact your Lifeline provider.**

## Start Saving Today!

Call your local telephone company to see if you qualify for Lifeline\*, Lifeline 135, or the Universal Telephone Assistance Program (UTAP)\*\*

NOTE: Customers who receive discounts through these programs have the same rights and responsibilities as all other telephone customers.
