

## **Damage Prevention Committee**

**Summaries and Actions  
from the  
Meeting of November 10, 2020**

Case Number	Stakeholders	Summary	Violations & Recommendation
007156	<p><b>Facility Owner</b> : PWSA  <b>Contractor/Excavator</b> : Independent Enterprises  <b>Project Owner</b> : GIRTYS RUN JOINT WATER AUTH  <b>Designer</b> : NIRA Consulting Engineers  <b>Other</b> : Millvale Borough</p>	<p><u>On Jun-03-2019 at STANTON AVE, MILLVALE BORO, ALLEGHENY.</u> On 6/3/2019 Independent Enterprises was working for Girtys Run Joint Water Authority installing sewer lines on Stanton Ave., Millvale Borough, Allegheny County when they struck a PWSA mismarked service line. According to Independent Enterprise, the locator's markings were off by approximately 3 feet and he couldn't find the curb box. The locator just put markings where he thought they should be.</p> <p>On 5/16/2019 a Update Routine Ticket (#20191364086) was placed by Independent for excavation which had stopped and was starting again, but on 5/29/2019 a Renotify Ticket (#201913640861) was placed. Renotify tickets should only be used on the first initial walk down of the site before any excavation begins; therefore, I do not believe Pittsburgh Water &amp; Sewer should be penalized for not responding within a 2-hour time frame of the renotify ticket. A recommendation of violating Section 5(20)- failing to renotify One Call of unmarked lines upon initial arrival at the worksite is recommended against Independent Enterprises.</p> <p>Seven One Call Tickets were placed for this job without a Complex Project being declared, or meeting held. In each of the One Call Tickets, Independent Enterprises claimed the work would only take 2 weeks, but the first One Call Ticket was placed on 3/11/2019 and the last Ticket being called in on 5/29/2019. Girty's Run should have utilized a Designer and requested information from the facility members located in this area to plan the installation of the lines accordingly. Independent Enterprises is being recommended for violating Section 5(3)- failing to hold a Preconstruction Meeting prior to the start of this project due to this project exceeding the initial</p>	<p><b>PWSA : \$4750.00</b>  Section 2(5)(i.1) 1st Offense \$250.00   Section 2(5)(i) 1st Offense \$500.00   Section 2(5)(v) 2nd Offense \$1000.00   Section 2(5)(v) 2nd Offense \$1000.00   Section 2(5)(v) 2nd Offense \$1000.00   Section 2(5)(v) 2nd Offense \$1000.00   <b>Independent Enterprises : \$500.00</b>  Section 5(20) 1st Offense \$250.00   Section 5(3) 1st Offense \$250.00   <b>GIRTYS RUN JOINT WATER AUTH : \$0.00</b>  Section 6.1(7) 1st Offense \$0.00  Education  <b>NIRA Consulting Engineers : \$750.00</b>  Section 4(2) 1st Offense \$500.00   Section 4(8) 1st Offense \$250.00   <b>Millvale Borough : \$1000.00</b>  Section 2(5)(v) 1st Offense \$0.00  Education  Section 2(5)(v) 1st Offense \$500.00   Section 2(5)(v) 1st Offense \$500.00</p>

<p>007796</p>	<p><b>Facility Owner</b> : Shoemakersville Borough  <b>Contractor/Excavator</b> : ARMOUR AND SONS, INC  <b>Project Owner</b> : NEW ENTERPRISE STONE AND LIME CO.  <b>Project Owner</b> : PENNDOT  <b>Other</b> : First Energy / Met-Ed</p>	<p><u>On Jun-18-2019 at POTTSVILLE PIKE,SHOEMAKERSVILLE BORO,BERKS.</u> Armour and Sons was digging a foundation for a traffic signal, behind a curb line. During the excavation an unmarked sewer line was hit and damaged. Armour and Sons stated, there was no locate marks or flags in the excavation area, but there was a locate mark 80-feet, in the road, away from the sewer facility. Armour and Sons did not have pictures.</p> <p>Shoemakersville Borough stated, the sewer line was located and marked in green on June 14, 2019, but when the Borough was called, on June 18th, about the damage and they went to the work-site, they notice that the property owner had cut the grass in the time between when the line was marked and when the excavation had begun. Shoemarkersville provide one picture.</p> <p>The picture provided does not show a clear indication if the sewer facility was properly marked, miss-marked or not marked.</p> <p>As a result of the information provided and with no additional pictures with the locate marks prior to the excavation, a fair determination cannot be concluded, if the Facility Owner was violation of 2(5)(i) and/or if the Excavator was in violation.</p>	<p><b>Shoemakersville Borough : \$4750.00</b>  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$500.00  No Response  Section 2(5)(v) 1st Offense \$250.00  Late Response. <p>009069</p>	<p><b>Facility Owner</b> : COLUMBIA GAS OF PA  <b>Contractor/Excavator</b> : SINGER CONSTRUCTION INC  <b>Project Owner</b> : MARONDA HOMES INC</p>	<p><u>On Jun-20-2019 at 162 ALDER DRIVE,PINE TWP,ALLEGHENY.</u> On Thursday, June 20, 2019, Singer Construction Inc was hired by Maronda Homes Inc to install water service lines and during the excavation a Columbia Gas 2-inch plastic main line was hit and damaged. Columbia Gas stated, Singer failed to preserve the locate marks/flags and did not renotify One Call to request line remarks and they did not use prudent digging techniques within the tolerance zone. Columbia Gas provided pictures. Picture number 7 is showing a mismarked line.</p> <p>Singer submitted an AVR, but without a detail summary of the event.</p> <p>Maronda Homes Inc was sent a letter, dated 12/12/2019, requesting that they submit an AVR. They did not submit a report.</p>	<p><b>SINGER CONSTRUCTION INC : \$1000.00</b>  Section 5(3) 1st Offense \$500.00    Section 5(4) 1st Offense \$500.00    <b>MARONDA HOMES INC : \$250.00</b>  Section 6.1(7) 1st Offense \$250.00</p>

<p>008060</p>	<p><b>Facility Owner :</b> PENNSYLVANIA AMERICAN WATER  <b>Contractor/Excavator :</b> Joseph B. Fay Company  <b>Project Owner :</b> DUQUESNE LIGHT COMPANY  <b>Other :</b> Columbia Gas  <b>Other :</b> Verizon  <b>Other :</b> Collier Township  <b>Other :</b> Lumos Networks of WV Form  <b>Other :</b> Allegheny County Sanitary Auth</p>	<p><u>On Jun-26-2019 at SR 0050, COLLIER TWP, ALLEGHENY.</u>  The excavator, Joseph B. Fay Company were completing emergency repairs on 6/26/2019, and during the job an unmarked PA American Water Company (PAWC) service line was hit and damaged. PAWC stated, the locator marked the main line but not the service line. On the New Damage Emergency tickets in the Remarks section, the caller stated hitting an unmarked PAWC copper service line going in the direction of the substation building and to please respond asap because the water was spraying.</p> <p>Duquesne Light explained in an email, the incident was related to water main break in the same location that was close to a manhole/duct system running along RT 50. Duquesne's technician discovered that the duct bank collapsed with the wash out from the water main break, and JB Fay were hired to complete all necessary repairs and to investigate any further damages. On 6/21/2019, two "New Excavation Emergency" tickets were called in and two more Emergency tickets on 6/25/2019 because the scope of the repair expanded due to JB Fay needing to make changes inside the manholes at both ends of the duct run they had to replace.</p> <p>On 6/15/2020 an email was sent to Joseph B. Fay Company requesting an AVR. A second attempt for an AVR, a letter was mailed on 9/23/2020.</p> <p><b>**New Excavation Emergency Tickets-</b> 20191723746(Collier Twp) and 20191723747(Scott Twp), called in on 6/21/2019 at 7:55pm, with 2-hours to respond. Recommending Facility Owners responding late on both tickets only be cited once, w/ education and 50% or \$0 penalty.</p> <p>-Columbia Gas (CDC- WF) responded Clear No Facilities</p>	<p><b>PENNSYLVANIA AMERICAN WATER : \$2500.00</b>  Section 2(5)(i) 2nd Offense \$1000.00</p> <p>Section 2(5)(vii) 1st Offense \$1000.00  New Damage Emergency Tickets- 20191770989(Collier Twp) and 20191770990(Scott Twp). Recommending a 50% penalty if able to justify the late responses.  Section 2(5)(vii) 1st Offense \$500.00  New Excavation Emergency Tickets- 20191760903(Collier Twp) and 20191760904(Scott Twp). Recommending Facility Owners responding late on both tickets only be cited once, w/ education and 50% or \$0 penalty.  <b>Joseph B. <p>009047</p>	<p><b>Facility Owner</b> : VERIZON  <b>Contractor/Excavator</b> : Snyder Environmental Services Inc.  <b>Project Owner</b> : Highland Sewer and Water Authority  <b>Designer</b> : THE EADS GROUP, INC.  <b>Other</b> : Atlantic Broadband LLC  <b>Other</b> : Peoples Gas</p>	<p><u>On Aug-12-2019 at ELTON,RICHLAND TWP,CAMBRIA.</u>  August 5, 2019 a near miss to Verizon lines occurred at 7:00 a.m. in Richland Township, Cambria County, PA. while Snyder Environmental Services was excavating to rehabilitate the sewer system. This is part of a complex project that began in July 2019, before the DPC redefined the procedures for a complex project. Excavator August 12, 2019, a Verizon Duct Bank with six - 4" conduits, encased in concrete, was damaged at the intersection of Elton Rd. and Theater Dr. near the same work area. New Damage Emergency  Emergency ticket # 20192242065 was called in by Excavator, Snyder Environmental Services Inc. The emergency would include, but not limited to, serious breaks or defects in a facility owners' line. Concrete encasement was broken off. Citation 2(10) AVR was not submitted by Verizon. There was a near miss violation and a hit within the same month. A curtesy request was mailed to Verizon for an AVR on 12/19/19, at that time, Investigator was not aware of the other AVR's submitted.   Verizon responded Clear no facilities to this emergency ticket. Citation 2(5)(vii) is applied. Because clearly there are facilities there. This is a third time offence by Verizon. Verizon did go out to mark, but mismarked. Citation 2(5)(i) applied because they failed to locate underground lines within 18" of the outside wall of the line. Emergency ticket also states that Verizon had marked this area on two separate tickets and by two different locators, mismarking lines both times. Photos show there are lines branching out from the cable manhole, but none of the lines look to be within the 15" tolerance zone.  Routine ticket# 20192133146 Verizon missed marking the manhole. While the excavators were in the manhole, they could see the Verizon lines running from the manhole then up</p>	<p><b>VERIZON : \$12000.00</b>  Section 2(5)(v) Subsequent \$2000.00   Section 2(5)(v) Subsequent \$1000.00   Section 2(10) 2nd Offense \$500.00   Section 2(5)(vii) 3rd Offense \$2000.00   Section 2(5)(i.1) Subsequent \$1000.00   Section 2(5)(v) Subsequent \$1000.00   Section 2(5)(i.1) 2nd Offense \$500.00   Section 2(5)(v) Subsequent \$2000.00 over a week late responce  Section 2(5)(i.1) 2nd Offense \$500.00 After responding late, reponded with clear no facilities  Section 2(5)(v) Subsequent \$1000.00   Section 2(5)(i.1) 2nd Offense \$500.00 responce was no facilities  <b>Highland Sewer and Water Authority : \$0.00</b>  Section 2(5)(v) 1st Offense \$0.00   Section 2(5)(v) 1st Offense \$0.00 Responce was late, but before dig time.  <b>Atlantic Broadband LLC : \$1000.00</b>  Section 2(5)(v) 1st Offense \$500.00   Section 2(5)(v) 1st Offense \$500.00</p>

<p>010176</p>	<p><b>Facility Owner</b> : COLUMBIA GAS OF PA - NORTH  <b>Contractor/Excavator</b> : DUFFY INC  <b>Project Owner</b> : Supervisors Office - Forest Supervisor  <b>Other</b> : ARG Resources Inc.</p>	<p><u>On Sep-11-2019 at FR152 COONRUN,HIGHLAND TWP,ELK.</u>  Columbia Gas submitted an AVR stating that on September 11, 2019, they responded to an emergency ticket that said that Duffy Inc.. had struck a 1-inch gas line that they believed was abandoned, but had pinched it off anyway. When Columbia's employee arrived, he verified the abandoned line, and noticed that there was a 2-inch medium pressure gas line exposed in the vicinity that had been gouged by equipment and would need to be replaced (please see photos from Columbia Gas). Duffy did not believe that the gouge was serious and admitted they did not report this gouge to Columbia. The employee also found markings that were very worn, but were visible in line with the unreported struck line. Duffy and the US Forest service both claim that the line was damaged by a rock, and both state that the unmarked 1-inch abandoned line was not marked, but that it was approximately 1-foot away from the line that was damaged.</p> <p>On January 1, 2020, DPI Andrade sent AVR letters to both the US Forest Service and Duffy Inc. Both Duffy and the US Forest Service responded within 15 days.</p> <p>Duffy Inc., is cited for failing to submit an AVR within 10 days of striking a line. Although Duffy may have believed the strike was not reportable either to the PUC or to Columbia, they were informed by Columbia's employee that the line needed repair. Duffy is further cited for failing to use prudent techniques in the tolerance zone. Duffy is also cited for failing to notify Columbia about the line they had gouged. Act 50 clearly states that any "dent, gouge, groove or other damage to lines or coating" must be reported. Due to the content of Duffy the AVRs submitted by both Duffy's and the US Forest Service. I believe there is a need for education for Duffy, and</p>	<p><b>DUFFY INC : \$1750.00</b>  Section 5(16) 1st Offense \$250.00    Section 5(4) 1st Offense \$500.00    Section 5(7) 1st Offense \$1000.00    <b>ARG Resources Inc. : \$1000.00</b>  Section 2(5)(v) 1st Offense \$500.00    Section 2(5)(v) 1st Offense \$500.00</p>

<p>010162</p>	<p><b>Facility Owner</b> : National Fuel  <b>Contractor/Excavator</b> : Dahlkemper Landscape &amp; Maintenance  <b>Project Owner</b> : ERIE INSURANCE GROUP  <b>Designer</b> : Urban Engineers  <b>Other</b> : Erie City of Bureau of Sewers</p>	<p><u>On Sep-18-2019 at 206 E 4th Street, Erie City, Erie.</u> On 9/18/2019 NFG personnel allegedly found Dahlkemper Landscape and Maintenance excavating without a One Call Ticket at 206 E 4th Street, Erie City, Erie County. Dahlkemper submitted an AVR without pictures indicating they were not excavating this day, they were installing a new lawn and sidewalk.</p> <p>NFG stated in their AVR Dahlkemper was excavating directly over a 2 inch medium pressure gas main, but indicated the submitted pictures were to be attached to another AVR which was submitted against Dahlkemper.</p> <p>At this time, I believe the evidence presented is inconclusive against Dahlkemper Landscape for violating Section 5(2.1) of Act 50 and a penalty is not warranted for 9/18/2019. However, Dahlkemper did submit an Insufficient One Call Ticket (#20182140186) and a violation of Section 5(2.1)- failing to submit a One Call request within the proper timeframe is recommended with education in lieu of the monetary amount.</p> <p>A violation of Section 6.1(7) is being recommended against Erie Insurance Group for failing to submit an AVR.  A violation of Section 2(5)(v)late is being recommended against Erie City of Bureau of Sewers for Ticket #20182140186. Response due date was 8/6/2018 for excavation to begin on 8/6/2018 at 8:00 AM and Erie City responded on 8/7/2018 at 12:59 PM.</p> <p>I received a phone call on 9/1/2020 from Urban Engineers stating they knew nothing of this incident and the damage occurred outside of their specified Design One Call notification. Their One Call included Holland and 4th Streets</p>	<p><b>Dahlkemper Landscape &amp; Maintenance : \$0.00</b>  Section 5(2.1) 1st Offense \$0.00  Education  <b>ERIE INSURANCE GROUP : \$250.00</b>  Section 6.1(7) 1st Offense \$250.00    <b>Erie City of Bureau of Sewers : \$250.00</b>  Section 2(5)(v) 1st Offense \$250.00</p>
---------------	--	---	---

<p>010444</p>	<p><b>Facility Owner</b> : Brookville Municipal Authority  <b>Contractor/Excavator</b> : Neumeyer Environmental Services, Inc.  <b>Project Owner</b> : PennDOT District 10</p>	<p><u>On Sep-18-2019 at 18770 US-322 FORMER HILLTOP ONE STOP GAS STATION,PINE CREEK TWP,JEFFERSON.</u> On 9/18/2019 Neumyer Environmental Services Inc. was working under PennDot to demolish the former Hilltop One Stop Gas Station located at 18770 US-322, Pine Creek Township, Jefferson County when they struck and damaged an underground Brookville Municipal Authority water line.</p> <p>According to AVR's submitted by both the excavator and the project owner, Brookville Municipal Authority marked their lines accurately. PennDot indicated the markings were on the blacktop, and Neumeyer indicated no offset markings were used. A violation of 5(3) is recommended against Neumyer because they failed to preserve the mark-out or request a new mark-out when the first mark was obliterated. In the attached PennDot pictures, one can clearly see the markings are not visible at the site because the blacktop has been removed.</p> <p>Neumeyer also stated one of their employees used mechanized equipment within the tolerance zone and snagged the line which pulled the line off of the main. A violation of 5(4) against Neumeyer is recommended since they did not dig prudently within the tolerance zone of Brookville Municipal Authority's lines.</p>	<p><b>Neumeyer Environmental Services, Inc. : \$1000.00</b>                  Section 5(3) 1st Offense \$500.00                   Section 5(4) 1st Offense \$500.00</p>
<p>011271</p>	<p><b>Facility Owner</b> : National Fuel Gas Dist. Corp.  <b>Contractor/Excavator</b> : Homeowner</p>	<p><u>On Oct-10-2019 at CLARION ST,EAST BRADY BORO,CLARION.</u> On 10/4/2019 a Homeowner placed a One Call notification for excavation to install a french drain on Clarion Street, East Brady Borough, Clarion County.</p> <p>NFG noted in their AVR their lines were marked accurately, but the Homeowner failed to hand-dig or pot hole to verify the depth, and struck and damaged his service line.</p> <p>Since the Homeowner is familiar with the One call System, I am recommending a violation of 5(4) for not digging prudently in the Tolerance Zone. In lieu of the administrative penalty, I am recommending Education.</p>	<p><b>Homeowner : \$0.00</b>                  Section 5(4) 1st Offense \$0.00                  Education</p>

<p>010926</p>	<p><b>Facility Owner</b> : National Fuel  <b>Contractor/Excavator</b> : Dahlkemper Landscape Architects and Contractors</p>	<p><u>On Oct-22-2019 at 459 W 6TH ST,ERIE CITY,ERIE.</u> On 10/18/2019 Dhalkemper Landscaping Architects and Contractors placed a One Call Ticket to replace existing trees, which were planted two years prior, that were dead at 459 West 6th Street, Erie City. NFG indicated Dahlkemper started excavating the day before the lawful dig date. When the NFG locator went to the site to mark their facilities, Dahlkemper had already excavated the area utilizing mechanized equipment.</p> <p>Dahlkemper did admit to digging a day before the lawful dig date but stated he was just replacing existing trees and stated this was not new excavation. Education is suggested for this excavator.</p>	<p><b>Dahlkemper Landscape Architects and Contractors : \$0.00</b>  Section 5(2.1) 1st Offense \$0.00  Excavation began one day before the legal dig date. Education is recommended for this excavator.</p>
<p>011205</p>	<p><b>Facility Owner</b> : Sandy Lake Borough  <b>Contractor/Excavator</b> : WILSON EXCAVATING  <b>Project Owner</b> : PEOPLES GAS  <b>Designer</b> : SE Technologies</p>	<p><u>On Oct-23-2019 at S MAIN ST,SANDY LAKE BORO,MERCER.</u> On 10/23/2019 Wilson Excavating was working for Peoples Gas installing a new gas line extension and services on South Main Street, Sandy Lake Borough, Mercer County. Wilson Excavating stated in their AVR they started boring under South Main Street when water started to come up through every hole and crevice in the street and sidewalk because they bore right through an 8" water main which was mismarked by 23'. Sandy Lake Borough responded to the incident, after Wilson Excavating contacted them, and shut off the water which allowed Wilson excavating to make the necessary repairs to the water main and continue with their work.</p> <p>Sandy Lake Borough is being recommended for violating Section 2(5)(i)- failing to mark their lines within 18 inches since their mark was 23' away.</p> <p>Wilson Excavating is being recommended for violating Section 5(3)- failing to hold a Complex Project Meeting.</p> <p>Peoples Gas is being recommended for violating Section 4(5)- failing to include One Call's phone number and the Serial Number on the Design Plans.</p> <p>SE Technologies is being recommended for violating Section 4(8)- failing to submit an AVR</p>	<p><b>Sandy Lake Borough : \$500.00</b>  Section 2(5)(i) 1st Offense \$500.00</p> <p><b>WILSON EXCAVATING : \$250.00</b>  Section 5(3) 1st Offense \$250.00</p> <p><b>PEOPLES GAS : \$250.00</b>  Section 4(5) 1st Offense \$250.00</p>

<p>011216</p>	<p><b>Contractor/Excavator</b> : WILSON EXCAVATING AND GRADING INC  <b>Project Owner</b> : National Fuel Gas  <b>Other</b> : Neshannock Creek Watershed Municipal Authority  <b>Other</b> : Mercer Borough  <b>Other</b> : Aqua</p>	<p><u>On Oct-24-2019 at S SHENANGO ST.EAST LACKAWANNOCK TWP.MERCER.</u> Routine Ticket #20192912041- Response was due on 10/22/2019 and Neshannock Creek Watershed Municipal Authority did not respond until 10/23/2019 at 11:09 AM and NFG did not finalize a response in KARL. A recommendation for violating Section 2(5)(v)late-responding late to a One Call Ticket is recommended for Neshannock Creek Watershed Municipal Authority and violating Section 2(5)(v)- not responding to a One Call Ticket is recommended for NFG. A renotify was called in on 10/24/2019 at 11:05 AM requesting Aqua to mark their connections to the main and for Neshannock Creek Watershed Municipal Authority and Mercer Borough to come and mark manholes and the pressurized sewer main. A recommendation of 2(5)(i.1)- failing to mark the facility's known connections to the main is recommended against NFG, Mercer Borough responded on 10/25/2019 at 10:22 AM and Neshannock Creek Watershed Municipal Authority did not finalize their response in the KARL system when Wilson excavating did request the facilities to respond within the two hour timeframe on the Renotify Ticket. A recommendation of violating Section 2(5)(v.1)- failing to communicate with the excavator within 2 hours is recommended for both Mercer Borough and Neshannock Creek Watershed Municipal Authority.</p> <p>Routine Ticket #20192912042- Response due date was 10/22/2019 and NFG did not respond to the One Call Ticket. A recommendation of violating Section 2(5)(v)- failing to respond to a One Call notification is recommended against NFG. A renotify was called in on 10/24/2019 at 11:05 AM requesting Aqua to mark their connections to the main and for Neshannock Creek Watershed Municipal Authority and Mercer</p>	<p><b>National Fuel Gas : \$3000.00</b>                  Section 2(5)(v) 3rd Offense \$1500.00                   Section 2(5)(v) 3rd Offense \$1500.00   <b>Neshannock Creek Watershed Municipal Authority : \$750.00</b>                  Section 2(5)(v) 1st Offense \$250.00                   Section 2(5)(v.1) 1st Offense \$500.00   <b>Mercer Borough : \$1000.00</b>                  Section 2(5)(v.1) 1st Offense \$500.00                   Section 2(5)(v.1) 1st Offense \$500.00   <b>Aqua : \$500.00</b>                  Section 2(5)(i.1) 1st Offense \$250.00                   Section 2(5)(i.1) 1st Offense \$250.00</p>

Precision Pipeline Solutions was digging a trench with a mini excavator to install a new gas main for Columbia Gas. During the dig, a mismarked Comcast line was hit and damaged. The Comcast line was off by 7.5-feet of the locate mark.</p> <p>*Dallastown Yoe Water Authority- Late Response to Ticket No.20192680048, due date was 9/17/19 and they responded on 10/4/19          *Verizon North- No response to Ticket No. 20192351273          *Verizon North- No response to Ticket No. 20192351279          *Verizon North- No response to Ticket No. 20192351295</p>	<p><b>Comcast Cable : \$1500.00</b>          Section 2(5)(vii) 1st Offense \$1000.00           Section 2(5)(i) 1st Offense \$500.00   <b>Verizon North : \$1500.00</b>          Section 2(5)(v) 1st Offense \$500.00           Section 2(5)(v) 1st Offense \$500.00           Section 2(5)(v) 1st Offense \$500.00   <b>Dallastown Yoe Water Authority : \$250.00</b>          Section 2(5)(v) 1st Offense \$250.00</p>
<p>011536</p>	<p><b>Facility Owner</b> : Millerstown Borough  <b>Contractor/Excavator</b> : Don Updegrave Construction Company</p>	<p><u>On Nov-09-2019 at 37 N MARKET ST, MILLERSTOWN BORO, PERRY.</u> AVR 2019NOV150013 reads that on November 09, 2019, Millerstown Boro, Perry Co, PA went out to mark their facility. They state that the Excavator began digging before the lawful dig date, and before they were able to mark their facility. Millerstown Boro Representative sent an email stating that the person who used to work there, had since this time, deleted the pictures that he took. It was shared with me that the owner and the contractor were very close friends. When I spoke with the contractor, he said that he knew this property since the 1900's and there were no utilities on it. Lawful dig date was November 14, 2019 at 8 a.m. Millerstown Boro was concerned because they has utilities near by and within the scope of the targeted area. ticket#20193121193, lists Millerstown Boro as not marking their lines.</p> <p>Citation 1.1 applied to Don Updegrave Construction Company. Excavation did not begin within the legal timeframe.          Citation 5(17) applied to Don Updegrave Construction Company for failing to comply with all requests for information. I have no information on the name of the property owner.          Citation 5(16) There was no AVR submitted.</p>	<p><b>Millerstown Borough : \$500.00</b>          Section 2(5)(v) 1st Offense \$500.00   <b>Don Updegrave Construction Company : \$1500.00</b>          Section 1.1 1st Offense \$1000.00           Section 5(17) 1st Offense \$250.00           Section 5(16) 1st Offense \$250.00</p>

<p>012029</p>	<p><b>Facility Owner :</b> NATIONAL FUEL GAS  <b>Contractor/Excavator :</b> XL Excavating  <b>Project Owner :</b> Alpha Construction</p>	<p><u>On Nov-11-2019 at 2255 Downs Drive,Erie,Erie.</u> The incident occurred on Monday, November 11, 2019. National Fuel Gas stated, XL Excavating did not notify One Call before their excavation and as a result, during the dig with a backhoe, they hit and damaged a 4-inch mainline.          XL Excavating called in a routine excavation ticket on 9/4/2019 at 9:31 am, the type of work was the installation of a water line to 2255 Downs Drive and the duration was for two days. There were no update tickets. XL Excavating called in a damage emergency ticket on 11/11/19 at 8:02 am, to report the damaged gas line.          On 1/6/2020 a letter was sent to the Excavator requesting to submit an AVR, a report has not been submitted.</p> <p>*National Fuel Gas (CDC: NG5)- Did not respond to the Damage Emergency Ticket No. 20193150289.</p>	<p><b>NATIONAL FUEL GAS : \$1000.00</b>          Section 2(5)(vii) 1st Offense \$1000.00</p> <p><b>XL Excavating : \$1750.00</b>          Section 5(16) 1st Offense \$250.00</p> <p>Section 5(8) 1st Offense \$1000.00</p> <p>Section 5(4) 1st Offense \$500.00</p>
<p>011453</p>	<p><b>Facility Owner :</b> PA AMERICAN WATER COMPANY  <b>Contractor/Excavator :</b> HUFNAGEL EXCAVATING  <b>Designer :</b> McMillen Engineering</p>	<p><u>On Nov-11-2019 at 1610 4th ST,CARROLL TWP,WASHINGTON.</u> On Monday, November 11, 2019, Hufnagel Excavating was digging to install a new 12-inch water main for PA American Water (PAWC). During the excavation Hufnagel hit and damaged an unmarked 6-inch water line, owned by PAWC.</p> <p>PAWC stated in their report, Hufnagel did not know that the water main existed.</p> <p>Hufnagel created a New Excavation Routine ticket on 11/11/19 at 7:50am. The ticket's response due date was 11/14/19, with a lawful start date as 11/15/19 - 11/25/19, and Hufnagel scheduled their excavation to begin on 11/15/19. PAWC responded to the excavation ticket on 11/11/19 at 9:56am as Field Marked. Hufnagel was excavating on 11/11/19, before the lawful dig date and they called in the damage to One Call on the same day at 11:47am. PAWC responded to the Damage Emergency ticket as Clear No Facilities at 1:04pm.</p>	<p><b>PA AMERICAN WATER COMPANY : \$500.00</b>          Section 2(5)(i) 1st Offense \$500.00</p> <p><b>HUFNAGEL EXCAVATING : \$1000.00</b>          Section 5(2.1) 1st Offense \$1000.00          Started excavating on 11/11/19, before the lawful dig date of 11/15/19</p> <p><b>McMillen Engineering : \$0.00</b>          Section 4(8) 1st Offense \$0.00          Warning letter. <p>011872</p>	<p><b>Facility Owner</b> : ALIQUIPPA WATER AUTHORITY  <b>Contractor/Excavator</b> : Glenn Johnston, Inc.  <b>Project Owner</b> : ALIQUIPPA WATER AUTHORITY  <b>Designer</b> : Lennon, Smith, Souleret Engineering, Inc.</p>	<p><u>On Nov-12-2019 at Green Street, City of Aliquippa, Beaver.</u>          These incidents occurred in November, on Tuesday 12th and Wednesday 13th, 2019. Contractor, Glenn Johnston, Inc. was hired by Aliquippa Water Authority to replace water lines on Green Street, nearest intersections were Sharon and Liberty Streets, and the project Designer was Lennon, Smith, Souleret Engineering, Inc. AVRs and letters were provided by all parties involved.</p> <p>The 11/12/19 incident, the Designer explained that Glenn Johnston reported to them of a hit and damaged water main line that was mismarked on Green and Sharon Streets. Glenn Johnston stated it was mismarked by 8-feet. Aliquippa reported in their AVR, 11-50 customers service was interrupted for 24-48 hours.</p> <p>The 11/13/19 incident, the Designer explained of three sewer line hits that Glenn Johnston reported to them. First, at 1463 Green Street, hit of an unmarked sewer lateral. Second, at 1501 Green Street, hit of an unmarked sewer lateral. Third, near 1501 Green Street, hit of a mismarked 8-inch sewer mainline.</p> <p>Aliquippa stated, service laterals are customer owned. Act 50, Section 2(i1) explains, a facility owner may identify the location of a known facility connected to its facilities, but not owned or operated by the facility owner, as a helpful guide to the excavator or owner.</p> <p>Also, Aliquippa stated, the Excavator is alleging that the water main was mismarked, and the sanitary service was not marked at these locations. These allegations cannot be confirmed.</p>	<p><b>ALIQUIPPA WATER AUTHORITY : \$2000.00</b>          Section 2(5)(i) 1st Offense \$500.00          11/12/2019 Incident          Section 2(5)(i.1) 1st Offense \$250.00          11/13/2019 Incident          Section 2(5)(i.1) 1st Offense \$250.00          11/13/2019 Incident          Section 2(5)(i) 1st Offense \$500.00          11/13/2019 Incident          Section 6.1(1) 1st Offense \$500.00</p> <p><b>Glenn Johnston, Inc. : \$500.00</b>          Section 5(3) 1st Offense \$250.00</p> <p>Section 5(20) 1st Offense \$250.00</p>

<p>011571</p>	<p><b>Facility Owner</b> : National Fuel Gas Distribution Corp.  <b>Contractor/Excavator</b> : Hostetler Construction</p>	<p><u>On Nov-13-2019 at 8041 Lamor Rd, Mercer, Mercer.</u> On Wednesday, November 13, 2019, Hostetler Construction was found excavating without a One Call notification. National Fuel Gas was called to the work site and explained to the contractor the importance of notifying One Call before excavation.  A letter dated 12/24/2019 and an email was sent to Hostetler requesting an AVR. Hostetler responded to the email saying, they were not sure what I was looking for because there was no line damage. I responded saying, although there was no damage, National Fuel Gas submitted an AVR indicating an Excavator issue; Hostetler Construction failed to call PA One Call before excavation and the work took place 30-feet from a high-pressure gas line.  Hostetler Construction did not submit an AVR, they are being cited for Section 5(2.1) and 5(16) and I am recommending education requirements.  PA One Call stated Hostetler Construction has placed One Call notifications in the past.</p>	<p><b>Hostetler Construction : \$1250.00</b>  Section 5(2.1) 1st Offense \$1000.00  Section 5(16) 1st Offense \$250.00</p>
<p>011584</p>	<p><b>Facility Owner</b> : UGI Utilities, Inc  <b>Contractor/Excavator</b> : T S E INC  <b>Project Owner</b> : PA AMERICAN WATER COMPANY</p>	<p><u>On Nov-18-2019 at 105 MAPLE AVE, CLARKS SUMMIT BORO, LACKAWANNA.</u> TSE, Inc was working for PA American Water, installing a new main and service lines. During the Monday, November 18, 2019 excavation TSE hit and damaged an unmarked UGI gas service line.  UGI stated, they completed the excavation ticket before the dig date and they had no record of that service line. In an email UGI provided pictures and explained one picture showing a deck that the homeowner built; which was built over the UGI's gas meter. With no record of the service line, the UGI's Locator and the excavator's were unaware of the gas meter's existence. Therefore, the service line was not marked. 911 was called (Emergency Ticket No. 20193221475), one customer's service was interrupted for 1-6 hours, and traffic was stopped/rerouted.</p>	<p><b>UGI Utilities, Inc : \$1500.00</b>  Section 2(5)(i) 3rd Offense \$1500.00</p>

<p>013848</p>	<p><b>Facility Owner</b> : MARY SUE MIRARCK  <b>Other</b> : BRENDON PANCHER</p>	<p><u>On Nov-24-2019 at 929, 931, and 933 FIR ST,KULPMONT,NORTHUMBERLAND.</u> On Nov 24, 2019 AVR2020MAR110025 reads that a landowner ripped up trees and was excavating without getting the property marked by One Call. I spoke with one of the neighbors, she told me that there are houses in that area (her home is one of them) whose sewer ran under the alleged persons property. By her account, these sewer systems were in place, way before the new owner moved in. She stated that "all the neighbors had told him that there were utilities below his land, but it appears that that he disregarded the pleads to call 811". Property Owner was able to block off the sewer system from the main line. 4/16/20 left a message with my information for Kulpmont Marion Heights Municipal Authority. Vic 570-205-4952 called me back. He verified that they do not own the sewer lines on the private property. There was no damage to the Municipal sewer lines. Someone did go out to connect the new sewer lines. Sewer lines were purchased by the three homeowners, who were affected by the demolition of trees. He also said that they do not mark utilities on private property (unless have a special request) to do so. One neighbor said that the landowner demolished three "row homes" condominiums on this property. The front of the three homes was located on Scott St.: 929, 931, and 933. At the time of the demolition, the basement was completely exposed. Some time after the demolition, PPL and Aqua came out to detach the electrical from the main lines. There are no tickets for this activity. Pictures with large excavating equipment are submitted. 4/28/20 After several attempts, I spoke with the landowner. Process and reason for submitting an AVR was explained. I verbally asked for AVR and sent email asking for AVR I</p>	<p><b>BRENDON PANCHER : \$1250.00</b> Section 5(2.1) 1st Offense \$0.00  Section 5(4) 1st Offense \$500.00  Section 5(6)(i) 1st Offense \$250.00  Section 5(16) 1st Offense \$250.00  Section 5(17) 1st Offense \$250.00</p>
<p>009108</p>	<p><b>Facility Owner</b> : PPL Electric Utilities <b>Contractor/Excavator</b> : Homeowner</p>	<p><u>On Dec-01-2019 at 1680 Wetzel Run Drive,Packer Township,Carbon.</u> On Thursday, 8/8/2019 at approximately 18:00 a property owner damaged an electric service and meter base while digging with a post hole digger at 1680 Wetzel Run Drive in Weatherly, Packer Township, Carbon County, PA. There was no one call ticket created. There were no reported injuries. Three customers lost power from the incident. The homeowner was hand digging for a fence post. Although this is unfortunate, it is not in violation of the law.</p>	

Omnibus Session

011948	<p><b>Facility Owner</b> : UGI  <b>Contractor/Excavator</b> : J F KIELY  CONSTRUCTION</p>	<p><u>On Dec-05-2019 at FOREST RD,SCOTT TWP,COLUMBIA.</u>  On 12/5/2019 J F Kiely Construction reported, they damaged an inaccurately marked UGI service line at 210 Forest Road , Scott Township, Columbia County. This is a violation of Section 2(5)(l) and a subsequent offence for UGI.</p>	<p><b>UGI : \$2000.00</b>  Section 2(5)(i) Subsequent \$2000.00</p>
013860	<p><b>Facility Owner</b> : Columbia Ga of PA  <b>Contractor/Excavator</b> : A FOLINO  CONSTRUCTION  <b>Project Owner</b> : PWSA</p>	<p><u>On Mar-06-2020 at PHILLIPS PARK,PITTSBURGH CITY,ALLEGHENY.</u> Columbia says that the excavator was working outside of the scope of their ticket, however, the ticket says that they were working along the paved path in the park and along the stairs to install storm drains. The damage occurred in the path. Columbia responded "clear" to both One Call Tickets for this excavation. What is not clear is where the excavator had marked in white as stated in their ticket. It seems unlikely that they simply circled a spot near the stairs for a storm drain installation that covers several blocks. The excavator admitted in their AVR that they had failed to place a new One Call Ticket after removing their equipment for more than 2 business days. PWSA's report says that it was discovered that there was never a ticket for the site where A. Folino was working.</p> <p>On August 13, 2020, DPI Andrade-Locke sent an AVR email to PWSA. PWSA submitted their AVR on August 14.</p> <p>A. Folino is cited for excavating without a valid one call ticket, both because the ticket they thought was valid was, by their own admission, no longer valid, and because they were working outside of the scope of said ticket.</p>	<p><b>A FOLINO CONSTRUCTION : \$1000.00</b>  Section 5(2.1) 1st Offense \$1000.00</p>

<p>014425</p>	<p><b>Facility Owner :</b> UGI UTILITIES  <b>Contractor/Excavator :</b> Steve's Logging and Excavating</p>	<p><u>On Mar-25-2020 at SODOM RD.WEST CHILLISQUAQUE TWP.NORTHUMBERLAND. **NO DAMAGE NO 1 CALL**</u></p> <p>UGI reported that "Serviceman noticed Steve's logging and excavating moving logs and soils without a one call. Facilities were called out due to the no One Call process. Contractor refused to place his own one call, or provide his name." UGI also stated in a request for more information that the excavator was digging out a leaking drain pipe with a backhoe.</p> <p>Several facility owners replied to UGI's emergency ticket that they had underground facilities in the area.</p> <p>An AVR letter was sent to Steve's Logging and Excavating on 8/26, The owner called on 8/31 asking or help. I referred him to 811 and told him that they could help him file an AVR. 811 did help him file an AVR electronically.</p> <p>Excavator stated during the call that he usually does logging work and he was not aware of the ticket and thought that UGI's emergency ticket covered him. I explained why he needs to submit his own ticket and he seemed to understand. Please note that this company has done other no-One Call excavation work as I found a review of online that mentions this excavator dug up a homeowner's septic pipe back in 2016, but PA One Call has no history of this company ever having placed a One Call ticket, so this excavator has been working without tickets for no less than 4 years.</p> <p>Steve's Logging and Excavating is cited for failing to submit a ticket before excavating, failure to be a member of PA One Call, and failure to submit an AVR within 10 days of a violation of Act 50. I have reduced the AVR citation to a warning since</p>	<p><b>Steve's Logging and Excavating : \$1250.00</b>                  Section 5(2.1) 1st Offense \$1000.00</p> <p>Section 5(16) 1st Offense \$0.00</p> <p>Section 5(21) 1st Offense \$250.00</p>

<p>014557</p>	<p><b>Facility Owner</b> : PEOPLES NATURAL GAS  <b>Contractor/Excavator</b> : DAVE MCMAHAN  <b>Project Owner</b> : PHANTOM ENTERPRISE LP#31</p>	<p><u>On May-04-2020 at 125 Kingston St.,HEMPFIELD TWP.WESTMORELAND. NO 1 CALL.</u>  Gas line struck, 911 was called.</p> <p>On August 27, 2020 DPI Andrade-Locke sent AVR letters to the project owner and facility owner. Phantom Enterprises submitted their AVR on September 4. As of September 24, 2020, McMahan Construction has not submitted an AVR.</p> <p>Phantom Enterprises is not cited for failing to submit an AVR as they complied as soon as they were made aware of the issue.</p> <p>McMahan Construction is cited for excavating without a One Call Ticket and failing to submit an AVR within 10 business days of a line strike.</p>	<p><b>DAVE MCMAHAN : \$1250.00</b>  Section 5(2.1) 1st Offense \$1000.00</p> <p>Section 5(19) 1st Offense \$250.00</p>
<p>014740</p>	<p><b>Facility Owner</b> : Municipal Authority of Westmoreland County  <b>Contractor/Excavator</b> : Donegal Construction Corporation  <b>Project Owner</b> : Tresco</p>	<p><u>On May-07-2020 at TARA DR,NORTH HUNTINGDON TWP.WESTMORELAND. **NO DAMAGE**</u>  On May 7, 2020, Donegal Construction placed 13 One Call Tickets for adjoining streets in lieu of a Complex Project Ticket. These tickets cover an area of 7874 linear feet. Tickets 20201282419 and 20201282415 are for the same street and state that he area is 1398 feet. Ticket 20201282383f or Tara Drive is also above the limits for a complex project at 1392 feet. Westmoreland Area Municipal states in their AVR that they contacted Donegal and asked for more time but Donegal refused.</p> <p>On July 7, 2020, DPI Andrade-Locke emailed an AVR letter to Donegal Construction. Donegal responded on July 8 that they will not submit an AVR.</p> <p>Donegal Construction is cited for failing to hold a preconstruction meeting prior to beginning a complex project. Donegal is also cited for failing to submit an AVR after being informed of their violations of Act 50, and for failing to respond to the PUC's request for information within 30 business days. Donegal may disagree since there was no damage, but the request for an AVR was made because of other reported violations to the Act, not because of a line strike.</p>	<p><b>Donegal Construction Corporation : \$750.00</b>  Section 5(17) 1st Offense \$250.00</p> <p>Section 5(3) 1st Offense \$250.00</p> <p>Section 5(16) 1st Offense \$250.00</p>

<p>017561</p>	<p><b>Facility Owner</b> : SUEZ  <b>Contractor/Excavator</b> : J F KIELY  CONSTRUCTION  <b>Project Owner</b> : UGI UTILITIES  <b>Other</b> : Dallas Area Municipal Authority  <b>Other</b> : UGI Electric</p>	<p><u>On Aug-20-2020 at 71 N PIONEER AVE, KINGSTON TWP, LUZERNE.</u> On 8/20/2020, JF Kiely was excavating for UGI Corrosion Department on North Pioneer Ave., Kingston Township, Luzerne County when they struck and damaged an unmarked 6 inch Suez water main. Suez did have locate marks on the ground 30 inches away from the damaged water main, and admitted As-Builts were used to locate the lines from 1989 which were not accurate.</p> <p>The damage to the water main caused the water to flow downhill and into the basement of the house located at 71 North Pioneer Ave. The homeowner indicated the damage has to be submitted to his insurance company due to the massive amount of water that filled his finished basement and the extensive damage this break has caused to his home.</p> <p>Suez has indicated the water main break left more than 50 customers without water for less than 6 hours. The damage had to be fixed and lines needed to be flushed and restored for residential use.</p> <p>Suez is being recommended for violating 2(5)(i)- failing to locate lines horizontally within 18 inches. A fine factor of (0.5) for affecting over 50 customers and a fine factor of (0.2) for the cost of damages to the Homeowner's basement will be added to each violation due to the severity of this water main break.</p> <p>Dallas Area Municipal Authority and UGI Electric is being recommended for violating 2(5)(v)- failing to respond to One Call Ticket #20202252140.</p> <p>UGI is being recommended for violating Section 2(5)(v) late-</p>	<p><b>SUEZ : \$500.00</b>  Section 2(5)(i) 1st Offense \$500.00</p> <p><b>UGI UTILITIES : \$500.00</b>  Section 2(5)(v) 2nd offense \$500.00</p> <p><b>Dallas Area Municipal Authority : \$500.00</b>  Section 2(5)(v) 1st Offense \$500.00</p> <p><b>UGI Electric : \$500.00</b>  Section 2(5)(v) 1st Offense \$500.00</p>

<p>018127</p>	<p><b>Facility Owner :</b> Peoples Gas  <b>Contractor/Excavator :</b> A. Folino Construction Inc.  <b>Other :</b> PITTSBURGH WATER &amp; SEWER AUTHORITY THE</p>	<p><u>On Sep-01-2020 at ANITA AVE,PITTSBURGH CITY,ALLEGHENY.</u> On 9/01/2020 A. Folino Construction was digging up asphalt while working for Pittsburgh Water and Sewer Authority, putting in new water lines, on Anita Ave in Pittsburgh City PA, when a Mismarked peoples One inch plastic gas line was ripped up, using a backhoe trencher. Two people lost service for one to two hours. All AVR's agreed that the Peoples Gas line was mismarked. Peoples Gas took responsibility for a mix up in location using investment and measurement cards. No 911 call was reported on any of the AVR's. This is a violation of 5(8) To immediately call 911 and the facility owner if the damage results in any escape of flammable, toxic or corrosive gas or liquid.  AVR2020SEP110019 reads that the gas line was "ripped up". Ticket 20202111795  Peoples Gas marked their facilities late. Work was to begin on 8/4/2020 at 7 a.m. and Peoples did not mark until 8/4/2020 at 14:40. This is a violation of Section 2(5)(v) To respond to all notices through the One Call System, provided the time frame is set forth under this act. This is a second offence of this violation this year. Fine is applied.  Pittsburgh Water and Sewer had no response in Karl that was timely, then they responded with a conflict. This is in violation of Section 2(5)(i) for failing to mark within 18 inches horizontally from the outside wall of the underground facility line. Fine is applied.  None of the AVR's for this case, are filled out completely. Besides many questions not answered, there are vague responses like "installing utilities". These types of responses are really a time waster for everyone. This road, a complex project by itself in length and complexity, is part of the water line replacement project Owned by Pittsburg Water and Sewer Authority which is summarized and processed as a complex</p>	<p><b>Peoples Gas : \$1000.00</b>  Section 2(5)(v) 2nd offense \$500.00   Section 2(5)(i) 1st Offense \$500.00   <b>A. Folino Construction Inc. : \$1000.00</b>  Section 5(8) 1st Offense \$1000.00</p>

Case Number	Stakeholders	Summary	Violations & Recommendation
007306	<p><b>Facility Owner</b> : West Penn Power</p> <p><b>Contractor/Excavator</b> : Allegheny Mineral Corporation</p> <p><b>Project Owner</b> : Allegheny Mineral Corporation</p> <p><b>Designer</b> : Allegheny Mineral Corporation</p>	<p><u>On Jun-10-2019 at BARRON RD,WORTH TWP,BUTLER.</u></p> <p>Allegheny Mineral Corporation placed original Excavation Ticket No. 20191371594 on May 17, 2019 with a response due date of May 21, 2019. Allegheny did not have a street address for the work site as it had been a dirt track site that was no longer in operation. Allegheny gave detailed instructions for how to find the site both by listing the GPS coordinates, and by describing how far south the site was from the nearest intersection (SR 0108). DPI Andrade was able to locate the area by the instructions, and there is still a sign showing where the track was located (see Google Maps Street View). On June 10, 2019 the excavator moved to a different location on the site and saw that there was a connected smart meter near a transformer and placed a new Insufficient One Call Ticket No. 20191612144 with special attention to WPP on June 10 at 12pm. WPP responded at 16:33 again that they had no facilities despite there being a ticket placed that listed the transformer number, as well as a renotification ticket placed at 15:39, again listing the number of the meter and stating that it was flashing.</p> <p>The locator working for WPP said that the site was marked as "clear" because the road is long between intersections and no address was provided. Given that there were easy to follow instructions to the site, the name of the former track (which can also be located on Google Maps), and that there were GPS Coordinates given, there does not seem to be an excuse not to have been able to find the job site.</p> <p>On August 30, 2019, DPI Andrade sent a courtesy letter to West Penn Power requesting an AVR. (see attached). AVR submitted September 26, 2019. West Penn Power states that they had hired USIC to do the markout and that they had responded "Clear" to Allegheny's ticket from both May 21 and</p>	<p><b>West Penn Power : \$1000.00</b> Sections 2(5)(v) 1st Offense \$500.00</p> <p>Sections 2(5)(v) 1st Offense \$500.00</p> <p><b>Allegheny Mineral Corporation : \$500.00</b> Sections 6.1(3) 1st Offense \$500.00</p>

<p>009373</p>	<p><b>Facility Owner</b> : PPL Electric Utilities  <b>Contractor/Excavator</b> : T S E INC  <b>Project Owner</b> : PENNSYLVANIA AMERICAN WATER</p>	<p><u>On Aug-26-2019 at HILLTOP RD,HUGHESTOWN BORO,LUZERNE.</u> TSE and PAWC submitted AVRs stating that TSE damaged PPL's correctly marked underground line while excavating within the tolerance zone. 911 was called. TSE states that the damage was done with hand tools while PAWC states that the line was damaged with a backhoe.</p> <p>On 1/7/2020, DPI Andrade emailed PPL asking if they could send a photograph of the site or confirm what type of equipment was used at the time of the strike. PPL responded with photos and a report from the employee on site during the time of the damage. PPL's damage report and accompanying email state that TSE started to excavate with a shovel, then struck the line with a backhoe. Whether or not hand tools were used, this line was damaged seriously enough to cause a customer to lose power, and even with hand-digging this is not prudent technique. The law states that hand-digging may be seen as prudent, but the DPC has seen plenty of examples of the imprudent use of hand tools within the tolerance zone.</p> <p>TSE is cited for failure to excavate prudently within the tolerance zone.</p> <p>PAWC cited for releasing a job to bid before a final design is completed as there is are no design tickets associated with this project.</p>	<p><b>T S E INC : \$500.00</b>  Sections 5(4) 1st Offense \$500.00</p> <p><b>PENNSYLVANIA AMERICAN WATER : \$500.00</b>  Sections 6.1(3) 1st Offense \$500.00</p>
<p>012000</p>	<p><b>Facility Owner</b> : PEOPLES GAS COMPANY LLC  <b>Contractor/Excavator</b> : ATLAS GROUP LLC  <b>Project Owner</b> : ARMSTRONG CABLE</p>	<p><u>On Oct-29-2019 at FOX MEADOW,PINE TWP,ALLEGHENY.</u>  On Tuesday, October 29, 2019, Atlas Group was installing conduit for Armstrong Cable via directional drill, and during the excavation the drill hit and damaged Peoples Gas 1-inch plastic service line. Atlas explained that during the drilling there was a break in communication between the Locator and the Driller, communication was not made in-time to stop the drill before it hit the gas line. 911 and PA One Call were notified.</p> <p>On November 11, 2020, the DPC voted to keep the citation for Peoples' Gas, but remove the financial penalty for the violation of Section 2.5(v). This vote passed 11-0. Moslen did not vote due to technical difficulties.</p>	<p><b>PEOPLES GAS COMPANY LLC : \$0.00</b>  Sections 2(5)(v) 2nd offense \$0.00</p> <p><b>ATLAS GROUP LLC : \$500.00</b>  Sections 5(11.2) 1st Offense \$500.00</p>
