PASEB Members,

RE: Pennsylvania Sustainable Energy Board Annual Meeting

This is to announce that the 2020 Annual Meeting of the Pennsylvania Sustainable Energy Fund Board (PASEB) is scheduled for April 29, 2021 at 1 p.m. The meeting will be held virtually through a Microsoft Teams Live Event that is open to the public. You can join the Microsoft Teams Live Event here: Annual Meeting of the Sustainable Energy Funds - 2020 Activities.

Each of the state's four sustainable energy funds will be given an opportunity to highlight projects and accomplishments from the past year and provide a preview of planned activities for this year as well.

As in previous years, we plan to have a PASEB Executive Session with a start time of 2:15 p.m., following the 1 p.m. Live Event. The Executive Session will be held virtually through a Microsoft Teams Meeting and will be a private meeting available only to invited attendees. Therefore, please provide the name and email address for representative(s) attending the Executive Session.

We welcome your suggestions for discussion topics during the Executive Session and we will put an agenda together for use at the meeting. Please submit agenda items and RSVP your availability to attend the Executive Session to Scott Gebhardt at sgebhardt@pa.gov by April 27, 2021.

Thank you very much for your assistance in arranging this meeting.

Sincerely,

Paul T Diskin
