

PA RELAY

SEEKING PUBLIC MEMBERS TO HELP ENHANCE PHONE RELAY IN PA!

The Pennsylvania Telecommunications Relay Services (TRS) Advisory Board is looking for board members to give advice to the Pennsylvania Public Utility Commission (PUC) about TRS.

ARE YOU

- Deaf
- Hard of hearing
- Deafblind
- Or do you have speech disorders?

DO YOU USE

- Speech-to-speech relay
- Captioned telephone
- Relay services?

HAVE YOU

- Received a telephone from the Telecommunications Device Distribution Program (TDDP)?

DO YOU

- Benefit from the TDDP and other related programs?

Join us to make sure people with disabilities of all ages have a voice.

You can make a difference in Pennsylvania by becoming a member of the Telecommunications Relay Service Advisory Board to provide feedback to help:

- Enhance 711 services
- Improve relay and captioned telephone
- Share information about relay
- Help people with disabilities get no-cost telephones, and stay connected through internet and broadband

Apply today at puc.pa.gov and search “TRS Advisory Board.”

For more information please contact Denise McCracken, PUC, at demccracken@pa.gov, or (717) 787-5722.
