ENERGY & UTILITY ASSISTANCE RESOURCES

The mission of the Pennsylvania Public Utility Commission is to balance the needs of consumers and utilities; ensure safe and reliable utility service at reasonable rates; protect the public interest; educate consumers to make independent and informed utility choices; further economic development; and foster new technologies and competitive markets in an environmentally sound manner.

As part of this mission, the PUC's Office of Communications provides a wide range of educational resources and outreach initiatives designed to meet the diverse needs of Pennsylvania residents. Our senior Communications Specialists, Christina Chase-Pettis and Shari A. Williams, lead these efforts with extensive experience and a deep commitment to public education and engagement.

Our educators plan and execute a variety of impactful events throughout the year, including community meetings, forums, roundtable discussions, and conferences. Signature programs such as the Be Utility Wise and Be Wise conference series are held annually for Human Services Professionals across Pennsylvania. These events provide critical information and resources to those who serve vulnerable populations, helping to extend the PUC's consumer education efforts into communities where needed most.

Additionally, we provide user-friendly fact sheets, energy-saving tips, and other resources to help consumers better understand their utility services and rights. These resources can be accessed at our new Consumer Help Center page at <https://www.puc.pa.gov/about-the-puc/consumer-help-center>.

For more information or to schedule an educational workshop, seminar, staff training, consumer education event, presentation, or speaking engagement, please get in touch with our specialists directly. We offer a variety of events to cater to your interests and needs. You can find our consumer education services request form here: https://www.puc.pa.gov/media/3039/consumer_education_services_request_form.pdf.

For informal complaints or termination issues, please contact the PUC's Bureau of Consumer Services (BCS) Toll-Free Hotline at 1-800-692-7380.

For more information or to schedule an educational workshop, seminar, staff training, consumer education event, presentation or speaking engagement, please directly contact our specialists.

BUDGET BILLING

All residential customers may contact their electric or natural gas company and request budget billing at any time. Each monthly bill will be the same amount. The company may adjust the bill four times a year, up or down, depending on the customer's usage.

CUSTOMER ASSISTANCE PROGRAM (CAP)

CAPs can lower your monthly utility bill and may remove the amount you already owe. Each company has a CAP, and they work with the customer to determine what they can pay versus the cost of energy used.

CUSTOMER ASSISTANCE REFERRAL & EVALUATION PROGRAM (CARES)

The CARES program helps customers with special needs. This program may help you find ways to pay your utility bill.

HARDSHIP FUNDS

Utility companies have hardship funds that provide cash assistance to utility customers to help them pay their utility bills. Hardship funds provide assistance grants to customers who "fall through the cracks" of other financial assistance programs, or to those who still have a critical need for assistance after the other resources have been exhausted. The funds make payments directly to companies on behalf of eligible customers.

LOW-INCOME USAGE REDUCTION PROGRAM (LIURP)

LIURP helps low-income residential customers lower the amount of electricity or natural gas used each month.

LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

LIHEAP is a federal program that provides financial assistance to low-income households to pay energy bills. In Pennsylvania, LIHEAP is administered by the PA Department of Human Services (DHS) and consists of three components:

□ CASH BENEFITS

Helps low-income customers pay their home energy bill.

□ CRISIS

Helps low-income customers meet home emergency situations and restore services if service has been shut off.

□ WEATHERIZATION

Helps qualified low-income customers reduce their energy consumption through home improvements.

NOTE: Low-income customers who qualify for Cash and Crisis can receive both. Your household income must be within certain limits to qualify. These limits are listed on the DHS website at www.dhs.pa.gov.

If you have more questions about LIHEAP, you may call your local county assistance office
or the toll-free LIHEAP hotline at 1-866-857-7095
(individuals with hearing impairments may call the TDD number at 1-800-451-5886).

HAVING TROUBLE PAYING YOUR MONTHLY BILLS?

We're here to help.

WE KEEP LIFE FLOWING®

For more than 30 years, Pennsylvania American Water has been assisting customers who qualify through its **H2O Help to Others Program™**. If you're experiencing financial hardship, please reach out to us. We may be able to assist. Here are some of the programs we offer to help keep your life flowing:

FINANCIAL ASSISTANCE

Through our H2O Help to Others Program™, we offer financial assistance for water and wastewater customers who qualify.

Water Service Assistance

- **Grants of up to \$500** per household per year.
- **A 30% to 90% discount on the monthly service fee and a 20% to 80% discount on the monthly volumetric charges.**
- **Water-saving devices and education.**

Wastewater Service Assistance

- **Grants of up to \$500** per household per year.
- **A 37% to 85% discount on the total wastewater charges.**

NEW ARREARAGE FORGIVENESS PROGRAM

Residential customers enrolled in our H2O Help to Others monthly bill discounts may also be eligible for our Arrearage Forgiveness Program if they have a balance that is 60 or more days past-due and is at least \$150. Once accepted into the program, customers who pay their current monthly bill in full, plus a \$5 co-payment, will have \$25 of their past due balance forgiven.

”

Our customers are at the center of everything we do. We never forget that at the end of every water pipe, there's a family depending on us to provide this important service.

PPL Electric Utilities

Programs for Residential Customers with Limited Incomes

PPL Electric Utilities Customer Assistance Program (CAP) - OnTrack

OnTrack is a special payment plan for PPL Electric customers with limited incomes. The program offers a reduced monthly payment based on family size, income and heating source, and a chance to erase any debt a customer owes. OnTrack benefits include a reduced monthly electric bill, protection from shutoffs, referrals for energy education or weatherization, and cancellation of a portion of the debt a customer owes each time they make their OnTrack payment. To be eligible for OnTrack, a household must be at or below 150% of federal income poverty guidelines.

To apply, visit pplelectric.com/OnTrack or call 1-800-358-6623.

PPL Electric Utilities Fuel Fund Program - Operation HELP

Operation HELP is a PPL Electric fuel fund that helps pay the electric bills of low-income customers. The fund is supported by donations from PPL Electric, its customers, and employees. To be eligible for Operation HELP, the household must be at or below 250% of federal income poverty guidelines.

To apply, visit pplelectric.com/OperationHELP or call 1-800-358-6623.

Customer Assistance and Referral Evaluation Service (CARES)

CARES is a special service for customers with a good payment history who cannot pay the full amount of their electric bill because of a temporary hardship. Examples of hardships include serious illness, injury, loss of spouse, or a significant decrease in household income. CARES can protect a customer's account from shut off for a temporary period and also provides referrals to other programs. There is no income requirement.

To apply, or to refer a person for CARES, call 1-800-342-5775.

PPL Electric Utilities' Weatherization Program - WRAP

WRAP is a no-cost weatherization program that helps customers reduce their electric usage and improve comfort in their homes. A professional energy advisor works with qualified customers on ways to save energy and installs energy efficient products that may help lower their electric bill. All work is done by certified WRAP contractors. To qualify, the household must be at or below 200% of federal income poverty guidelines. The customer must have a residential account with PPL Electric and live in a primary home that has not received WRAP assistance within the past 5 years. WRAP is available to homeowners and renters. Landlord consent is only required for certain products and services.

For more information or to apply, visit ppl electric.com/WRAP or call 1-888-232-6302.

Master-Metered Apartments

Low-income residents within these buildings receive a range of free WRAP measures. PPL Electric also works with property owners to address the other common areas of the building.

To apply, customers can call 1-888-232-6302.

Programs for Residential Customers (no income guidelines)

Appliance Recycling Pick-up

Customers who have a refrigerator or freezer that they no longer use can visit pplelectric.com/pickup to arrange for a free pick up and get a \$50.00 rebate check. The customer must have an individual account with PPL Electric and own the refrigerator. The refrigerator or freezer must be in working condition and be 10-30 cubic feet in size. Room air conditioners and dehumidifiers may also be recycled without being paired with a large appliance as long as two or more units are included in the pick-up. The customer will receive an additional \$25.00 for each small appliance.

Appliance/Efficient Equipment Rebates

PPL Electric offers rebates to residential customers for certain energy-efficiency equipment and improvements. All appliances must be installed in PPL Electric Utilities service area. For more information or to apply, visit pplelectricsavings.com or call **1-877-486-9204**. *Funds are limited*, and PPL Electric Utilities reserves the right at any time to extend, modify or terminate the rebate program.

Virtual Energy Assessment

Virtual Assessments (by phone) are available at no cost to qualifying homeowners or renters. Virtual assessments provide an easy, convenient, and safe introduction to the benefits of energy efficiency. The 30-minute phone consultation includes recommendations for energy-efficient products and rebates. Customers will receive a free, personalized energy savings kit with small Do-It-Yourself upgrades to help customers start saving right away.

Virtual Assessments are also available in Spanish.

Visit pplelectric.com/VirtualAssessment to learn more or call 1-877-486-9204 to schedule an assessment.

Customers must have an active PPL Electric account with electric heat or non-electric heating with central A/C in order to participate.

HELP *When You Need It Most*

If you are struggling financially, we want to help you through the process of finding the assistance you need. Support is available through a variety of programs.

CUSTOMER ASSISTANCE PROGRAM (CAP)

This program offers affordable payment plans for income eligible customers. CAP can help with long-term solutions to chronic bill payment challenges. Income must be at or below 150% FPIG. To get started, **call us at 1-800-537-7431** or **apply online at HardshipTools.org/MyApp**.

CUSTOMER ASSISTANCE REFERRAL & EVALUATION SERVICE (CARES)

We know that life can sometimes surprise you with the unexpected, but we offer a helping hand during temporary hardships. CARES can help with basic budget counseling, customized payment plans, and referrals to energy grant programs and community resources.

SECURITY DEPOSIT ASSISTANCE FUND (SDAF)

You could receive financial help when a security deposit is required for establishing utility service. This may be awarded once within a 12-month period on a first-come, first-served basis and doesn't have to be paid back.

EMERGENCY REPAIR PROGRAM (ERP)

This program provides assistance for repair or replacement of gas furnaces, water heaters, gas lines and space heaters serving as the primary heat source for a home. This program is designed to address emergency situations that involve unsafe conditions for our customers who own and live in their home. Funds are limited on an annual basis.

FOR INFORMATION ABOUT ANY OF THESE PROGRAMS, CALL 1-888-460-4332

Veolia's Customer Assistance Programs

Hard times happen. We are here to help.

Veolia offers a Monthly Discount Program to those in need. You must apply to the program to see if you qualify. See chart below for more information.

Qualifying

Qualifying is based on your number of household occupants and gross monthly income. Additionally, if you qualify, you are eligible to receive a conservation kit to assist in your efforts to conserve water and reduce your monthly water usage.

Grant Program

Veolia also offers a Grant Program that customers are eligible for once a year. Grant offerings include up to \$300 towards a water bill and up to \$300 towards a wastewater bill.

Arrearage Forgiveness

Upon program enrollment in the Monthly Discount Program, the customer's past due balance will be frozen. A \$25 credit will be applied toward the outstanding past due balance for each timely payment made to the current bill.

Leak Repair Program

This program is available to customers who are in threat of termination or a termination has occurred. Veolia offers assistance with leaks through a contractor assessing leaky faucets, toilets and exposed pipes. The contractor can also assess the direct line from the curb box to the home, and the meter. This program is available for one leak per year, not to exceed \$1,500 worth of work.

Customer Assistance Program Income Guidelines

Program Guidelines

Maximum grant amounts, balance requirement, sincere effort of payment, income eligibility requirements and other program guidelines vary by utility and are subject to change throughout the program year. For the most up-to-date information, please visit www.dollarenergy.org/need-help/pennsylvania/.

Applicants can only receive one grant per utility, per program year (10/1/2025 - 9/30/2026). Customers of West View Water may be eligible once every six months.

If the maximum grant amount will not restore service or stop a termination, the application will be denied. The amount needed to restore service or stop a termination is determined by utility review.

Grant amounts are determined by need and each household's individual circumstances. Exceptions may be made in cases of extreme hardship.

Application Attachments

Verification of income or proof of LIHEAP or Crisis application, when those programs are open, must be attached to all applications.

A copy of the most recent utility bill with proof of minimum payment must be attached to all applications.

Additional Eligibility Guidelines

Account must be residential, single home or apartment.

No "Cooking Only", commercial, industrial, or apartments with shared utility service.

Name on account must be that of an adult who is currently living in the home.

Grants cannot be used to cover security deposits or reconnection fees.

How to Apply

The best way to start seeking help is by calling your utility company. They will provide you with information on a number of different assistance programs that are available to help low-income utility customers.

Dollar Energy also partners with a network of Community-Based Organizations throughout the state to provide application intake services for clients. Find an agency in your area by visiting www.dollarenergy.org/need-help.

Pennsylvania Public Utility Commission Outreach and Education Services

The PUC’s Office of Communications offers statewide utility Education and Outreach Services. Our dedicated outreach and education team are an essential component in our community by providing tools, utility resources and education services. Our mission and goal is to increase awareness and understanding of the many utility programs and services available to consumers.

The outreach and education team partners with a variety of community groups, state government agencies, legislators, human service providers, utility companies, community based organizations, and many other interested stakeholders to help educate, and share many useful tools, resources and programs to help consumers make informed utility choices.

Educational programs, workshops, seminars, forums, roundtable discussions, training sessions and conferences are available on a variety of utility topics and are tailored to reach each audience.

These educational topics and programs include:

- PUC Regulations
- PUC Consumer Protections & Complaint Process
- How to Prepare for Public Input Hearings
- PAPowerSwitch
- PAGasSwitch
- Call Utilities Now
- Be Utility Wise Events
- Limited-Income Customer Assistance Programs
- Ways to Save Energy
- Energy Efficiency Programs
- PUC Educational Games
- Power Your Career with the PAPUC

What the Pennsylvania Public Utility Commission Regulates

The PUC has jurisdiction over about 20 natural gas utilities. Bottled propane gas, as well as most utilities owned and operated by cities, boroughs or townships, do not fall under the PUC.

The PUC has jurisdiction over intrastate, local, toll and access telephone services and providers. Additionally, the Commission regulates availability and speed of internet service offered by traditional local telephone companies, per Chapter 30 of the Public Utility Code.

The PUC has jurisdiction over 11 electric distribution companies. Rural electric cooperatives and most utilities owned and operated by cities, boroughs or townships are not regulated by the Commission.

The PUC has jurisdiction over more than 120 water and wastewater utilities, including a number of municipal water and wastewater utilities. However, the Commission does not have jurisdiction over utilities owned and operated by municipalities, cities, boroughs or townships, except for rates and service to customers outside municipal boundaries.

The PUC conducts regular inspections of railroad track; motive power & equipment; operating practices; hazardous materials; and signal & train control, working in conjunction with the Federal Railroad Administration. Additionally, the PUC oversees highway-railroad crossings throughout Pennsylvania.

The PUC regulates motor carriers that transport property, passengers and household goods such as taxis, moving companies and limousines, and Transportation Network Companies such as Uber and Lyft. It also conducts inspections on the vehicles used for these services.

The PUC conducts inspections on pipelines operated by public utilities that fall under PUC jurisdiction and enforces federal and Commission pipeline safety regulations as they apply to public utilities providing natural gas distribution and intrastate transmission service, and public utilities providing intrastate transmission of hazardous liquids.

TAKE CHARGE

of your electric bill

In Pennsylvania, you have the power to switch your electric supplier and gain greater control over your electric bill. You can switch to the supplier who offers the lowest price, or choose a supplier who provides a specific service you want, such as green/renewable energy at www.PAPowerSwitch.com.

Three Great Reasons to Make the Switch

Find lower rates from competing suppliers

Competitive offers may not be available in all areas.

Customize your energy plans

Find plans with renewable options and other services that benefit you.

Get your new electric rate in minutes

Get results, compare prices and make the switch—all in just a few minutes.
