PASEB Members,

RE: Pennsylvania Sustainable Energy Board Annual Meeting

This is to announce that the Annual Meeting of the Pennsylvania Sustainable Energy Board (PASEB) is scheduled for March 19, 2026 at 11:00 a.m. The meeting will be held in Hearing Room 1 of the Keystone Building in Harrisburg and is open to the public.

Each of the state's four sustainable energy funds will be given an opportunity to highlight projects and accomplishments from the past year and provide a preview of planned activities and goals for this year.

As done in previous years, we plan to have a PASEB Executive Session with a start time of 12:15 p.m., following the 11:00 a.m. Annual Meeting. The Executive Session will be held in the Executive Chambers in the Keystone Building and will be a private meeting available only to invited attendees. Therefore, please provide the name and email address for representative(s) attending the Executive Session.

We welcome your suggestions for discussion topics during the Executive Session and we will put an agenda together for use at the meeting. Please submit agenda items and RSVP your availability to attend the Executive Session to Dave Edinger at dedinger@pa.gov by March 6, 2026.

Thank you very much for your assistance in arranging this meeting.

Sincerely,

Paul Diskin
