

Public Notice: Sustainable Development Fund Seeks Nominees for Board of Directors (*PECO Service Territory*)

2026 Call for Board Member Candidates

The [Sustainable Development Fund](#) (SDF)—managed by Reinvestment Fund¹—is seeking nominations to fill upcoming Board of Director vacancies. SDF provides affordable financing to advance energy efficiency, electrification, and clean energy projects that reduce emissions and energy costs and support community-serving organizations across PECO’s electric service territory.

About SDF’s Service Territory

SDF supports projects located in PECO electric service territory: Bucks, Chester, Delaware, Montgomery, and Philadelphia Counties, plus sections of Lancaster and York Counties.

Board Composition and Purpose

SDF is governed by a volunteer Board of Directors (minimum of seven members) and seeks Directors who collectively represent a broad range of experiences, skills and perspectives of ratepayer and other constituencies and would expand the Board’s ability to advance SDF’s mission. No organization or party has an exclusive “seat” on the Board.

Selection Objectives for This Nomination Cycle

To strengthen the Board’s ability to evaluate projects and expand engagement across the service territory, the Nominations Committee is interested in candidates with one or more of the following skills, perspectives, and community connections:

1. Mission Fit

- a. A commitment to SDF’s mission to promote the use of clean energy and the resulting reduction of emissions among commercial, industrial, institutional and residential customers in the PECO Energy Service Territory
- b. Interest in promoting the start-up, attraction, expansion and retention of sustainable energy businesses, commercial enterprise, and sustainable development in the PECO Energy Service Territory.

2. PECO Service Territory Representation

- a. Prioritization will be placed on finding members from the following counties, which represent the PECO Service Territory. New members are being sought from the following counties, listed from greatest to least need based on the current composition of the existing Board and the number of PECO ratepayers in each area:
 - i. Bucks
 - ii. Chester

REINVESTMENT FUND

- iii. Montgomery
- iv. Delaware
- v. Philadelphia
- vi. York
- vii. Lancaster

3. **Community Development Skills & Capabilities**

- a. Skill and experience with community development across a broad reach of industries.
- b. Individuals with deep community connections that could be leveraged to establish a network of relationships for current and future programs.
- c. Access to hard-to-reach projects to establish strategic partnerships.

4. **Nonprofit / Advocacy Sector Representation**

- a. Individuals representing nonprofit or advocacy organizations that have or could have connections to energy efficiency, electrification, and clean energy projects that reduce emissions and energy costs.
- b. Connections to organizations that advance promising clean energy projects but face barriers such as access to capital.

Expected Responsibilities and Time Commitment

Directors provide input and oversight for SDF's activities; help identify strong projects and partners; and review program plans and budgets. The Board meets at least annually, though additional meetings are common, as needed, to conduct committee work and review of projects; virtual participation is permitted.

Board service is volunteer (no stipend). Reasonable, pre-approved expenses may be reimbursed with receipts.

Who May Nominate

Nominations may be submitted by any person with an interest in Pennsylvania's electric utility industry, energy efficiency or clean energy technologies. *Self-nominations are welcome.*

How to Submit a Nomination

For consideration, candidate nominations should be submitted through the following link: [2026 Sustainable Development Fund Board Nomination Form – Fill out form](#)

Deadline

Nominations must be received by July 24th, 2026. Nominations will be accepted for a period of **not less than four weeks** following publication of this notice.

Nomination & Approval Process

REINVESTMENT FUND

The SDF Nominations Committee will review all nominations and reach out directly to candidates for elaboration or clarification and an interview if there is a potential fit. The Nominations Committee will request all final candidates to provide the following:

- Written certification that the nominee does not have any criminal convictions (felonies or misdemeanors) and is not the subject of any current criminal investigations.
- (Recommended) A brief note identifying any potential conflicts of interest (e.g., affiliations that could create a financial interest in organizations seeking SDF support), understanding that SDF maintains conflict-of-interest expectations for Board-related deliberations.

The SDF Board will elect a nominee or nominees, and SDF will submit the selected candidate's or candidates' information to the Pennsylvania Public Utility Commission (PUC) for final approval.
