RE: Investigation into the Natural Gas Supply Market
Pa. PUC Docket No. I-00040103 F0002

Dear Secretary McNulty:

The Final Order and Action Plan issued by the Pennsylvania Public Utility Commission ("PaPUC") in the matter referenced above directed certain natural gas distribution companies to schedule in January 2009, and hold in the first quarter of 2009, a working group meeting with various natural gas suppliers for the purpose of discussing capacity in the context of system management.

Utilizing a list of supplier contacts provided by the PaPUC's Director of Operations, National Fuel Gas Distribution Corporation ("NFGDC") delivered invitations in January and subsequently conducted a meeting on March 3, 2009, in Erie, Pennsylvania. Please file this letter at the above docket as NFGDC's notice to the PaPUC that it has complied with the aforementioned PaPUC directive.

If there are any questions by the Commission regarding this matter, please direct inquiries to me at (814) 871-8060 or via e-mail at hartzl@natfuel.com.

Very truly yours,

Lee E. Hartz
Attorney for National Fuel Gas
