RE: Delphine Matthews v. PGW, Docket No. C – 2008 – 2029557

Dear Secretary McNulty:

Please note that at the end of the day on May 14, 2009, PGW filed an answer to the Complainant's Petition for Reconsideration that had been filed with the Commission on May 4, 2009. This petition was not properly served upon PGW and had been scheduled for the Commission's decision on the date that an Answer to the Petition would have been due. PGW only learned of the petition because it appeared on the Commission Agenda. We sought to answer the petition, notwithstanding.

In any event, this above captioned matter has been resolved and the Complaint has been satisfied. By separate cover, PGW has filed a Certificate of Satisfaction.

If you need additional information about this matter, please contact me at my direct-dial number above. Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "Laureto Farinas", is written over a large, stylized blue circular flourish that extends across the width of the signature area.

Laureto Farinas
