and Action Alliance of Senior Citizens  
PUC Docket No. P-2009-2109912  
**Settlement Negotiations**

Dear Phil:

This letter will confirm that Philadelphia Gas Works ("PGW") and Tenant Union Representative Network and Action Alliance of Senior Citizens (collectively, "TURN") have agreed to engage in settlement negotiations concerning the above-mentioned Petition.

In this agreement, TURN has consented to a general extension of time for PGW to file an answer to said Petition. This general extension will act as a general waiver and continuance of the time requirements in 52 Pa. Code § 5.61, and will permit the parties to focus their efforts on settlement discussions. Either party may end this extension by giving the other party ten (10) days advance written notice of the termination of settlement talks. PGW will then have twenty (20) days from the end of settlement talks to file an answer. PGW agrees not to implement its write off reactivation for current customers while these settlement discussions are pending.

If you have any questions or concerns, please contact me. Thank you.

Sincerely,
