Docket No. C – 2009 – 2138115

**Philadelphia Gas Works’
Preliminary Objections and
Motion to Strike Impertinent Matter**

Pursuant to 52 Pa. Code §5.101, the Philadelphia Gas Works (“PGW”) hereby files its Preliminary Objections to the Complaint filed in the above captioned matter on the grounds that the Commission lacks jurisdiction over the subject matter of the Complaint, and that the Complaint includes impertinent matter in its requested relief to remove (or forbear collection of) the lien, and moves to strike the requested relief as “impertinent matter” pursuant to 52 Pa. Code §§5.101(a)(1) and (2).

In support of its preliminary objection and motion to strike, PGW hereby avers the following:

1. On or about October 28, 2009, the Complainant filed a formal complaint against PGW with the Commission under Docket No. C – 2009 – 2138115, regarding unpaid debt for gas service to 7450 Ruskin Road, Philadelphia, Pennsylvania (7450 Ruskin Road).
2. For the period from February 14, 2008 through present, Samuel Jones was the Customer of Record for the PGW gas account for gas service to 7450 Ruskin Road.
3. The City of Philadelphia has filed municipal lien upon 7450 Ruskin Road for the unpaid PGW debt of Samuel Jones, pursuant to the Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, et seq.
4. Pursuant to the Municipal Claim and Tax Lien Law, Act 153 of 1923, P.L. 207 53 P.S. §7101, PGW through the City of Philadelphia has the

right to collect on municipal claims owed to PGW for gas service to a Service Address.

5. The Complaint avers that PGW is holding the Complainant personally responsible for the unpaid debt of Samuel Jones for \$1,742.96 for gas usage for the period beginning February 14, 2008 through October 1, 2009.

6. The Complaint requests relief in the form of a Commission order to PGW to not make the Complainant responsible for the outstanding unpaid balance for gas service rendered to 7450 Ruskin Road under the account of Samuel Jones, and (presumably) to do so by having the lien on 7450 Ruskin Road removed.

7. Under the Commission's Rules of Administrative Practice and Procedure at 52 Pa. Code §5.101, the treatment of preliminary objections is comparable to that of Pennsylvania civil practice. (See: Order Sustaining Preliminary Objection in *Paul W. Fricker v. PECO Energy Company*, Docket No. C-2009-2094757 (May 21, 2009))

The Commission's regulations provide, in relevant part:

(a) *Grounds.* Preliminary objections are available to parties and may be filed in response to a pleading except motions and prior preliminary objections. Preliminary objections...must state specifically the legal and factual grounds relied upon and be limited to the following:

(1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding.

(2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter.

52 Pa. Code §5.101(a) (2)¹

8. In this case, as the Complaint states that the bills that are the subject of the lien were from gas service from a tenant's gas account and not his

PGW account. The Complainant opines that under circumstances, he should not be held responsible.

9. Pursuant to the Natural Gas Choice and Competition Act, 66 Pa. C.S.A Section 2201 et seq., section 2212(n), which specifically provides, “Nothing contained in this title shall abrogate the power of a city natural gas distribution operation to collect delinquent receivables through the imposition of liens pursuant to section 3 of the act of May 16, 1923 (P.L. 207, No. 153), referred to as the Municipal Claim and Tax Lien Law, or otherwise.” Thus, under 66 Pa. C.S.A Section 2212(n), the Commission has no jurisdiction over the filing of such a lien.²

10. Pursuant to the Responsible Utility Customer Protection Act at 66 Pa. Cons. Stat. § 1414, which states: “[a] city natural gas distribution operation furnishing gas service to a property is entitled to impose or assess a municipal claim against the property and file as liens of record claims for unpaid natural gas distribution service and other related costs, including natural gas supply ...,” clarifies and confirms such rights to impose a lien.

11. The Complainant disputes the imposition of the lien because he did not incur the debt for gas service.

12. The nature of a lien is such that it encumbers the real estate, regardless who caused the event, which results in the imposition of a municipal claim. PGW may collect as a municipal claim, unpaid debt for gas service rendered, even when the gas service was not rendered to the owner of the property. *Newberry Township v. Ray Stambaugh*, 848 A.2d 173; (Pa. Cmwlth. 2000)

13. In the instant matter, the Complainant simply wishes not to be responsible for the gas he did not use. As PGW has not held the Complainant or his wife personally responsible for the unpaid balance for gas service rendered to 7450 Ruskin Road under the account of Samuel Jones, the Commission need not grant the requested relief of having the Complainant not be personally

² 52 Pa. Code §5.101(a) (1)

responsible for the unpaid balance for gas service rendered under his brother's PGW account.

14. A prayer for relief from a condition that does not exist (held personally responsible for unpaid balance for gas service rendered to another) is not recoverable in the cause of action before this Commission. It is irrelevant to the instant cause of action and therefore "impertinent matter" within the use and meaning of 52 Pa. Code §5.101(a) (2) and, should be stricken from the Complaint pursuant to Pa. Code §5.101(a)(2).

Wherefore, PGW respectfully requests that this Commission sustain PGW's preliminary objections to the Complaint and dismiss the Complaint for lack of jurisdiction and strike off the requested relief as impertinent matter.

Respectfully submitted,
